

# One Day in the Sport World.

## KERR WON TWO CHAMPIONSHIPS.

### Annual Meet of the C. A. A. U. on Saturday Afternoon.

Big Crowd at the Opening of the Fall Meeting of the O. J. C.—Angus Pointer Won at Syracuse and Made a New Mark for This Season.

Toronto, Sept. 16.—While track and weather conditions were not conducive to record-breaking at the C. A. A. U. fall championship meet Saturday, the very large crowd which gathered at Varsity field saw some of the best track events held on a local field in many a day. There was marked similarity in the relative abilities of the contestants in most of the events, a factor which contributed much to the enjoyment of the afternoon. The Varsity field track has been faster than it was on Saturday, and the centrefield was also a trifle slow.

Tommy Longboat got back into colors, and wore the maple leaf and lacp of the Irish-Canadians in his 100-yard race. This event was looked forward to as the feature of the programme, but the aborigine disposed of his field right at the start, and went away with the race in time which was but one second slower than the Canadian record. Dr. Dick Grant was one of the starters, but dropped out early, and made good use of his time pacing his team mates, Longboat and Sellen, who finished first and second. Coley did not start after his hard mile with Tait.

The best race of the day was the mile, in which Tom Coley was beaten by Tait. The race developed a hair-raising finish, in which the West-ender beat the Englishman by inches only. Coley sprinted at the end, but Tait had sprung his legs, too, and more than equalled the sprint of the L. C. A. C. man.

The 120 hurdles made a very pretty race, the contestants taking all the hurdles abreast. Barber, of the West End, got in front on the flat.

Con. Walsh, the happy Irish giant from the Woodstock Amateur Athletic Association won both hammer events, throwing the sixteen-pound 154 feet and the 35-pound 39 feet 9/16 inches.

Bobby Kerr, the Hamilton sprinter, won the preliminary and final in the 100 yards in 10.3-5, the 220 in 23.1-5, the 440 in 1.1, and carried his team colors to victory in the relay race, which was an easy victory for the Hamilton team. Skene was seven seconds behind his Canadian record in the mile walk, but at that outdistanced his competitors. Summaries:

100 yards run—first heat—Robert Kerr, Hamilton Y. M. C. A., 1; W. R. Worthington, W. E. Y. M. C. A., 2; Lou Marsh, I. C. A. C., 3. Time, 10.3-5.

Final—Robert Kerr, Hamilton Y. M. C. A., 1; C. Ogilvie, Hamilton Y. M. C. A., 2; I. Seibert, W. E. Y. M. C. A., 3. Time, 10.3-5.

shot-putting contests were added to the card, and Rose won every one of them. In order to make the record clear, Horng and Edgren, of the New York Athletic Club, and Gilmore, of San Francisco, also competed.

In the regular event with the 16-lb. shot Rose sent the missile 39 feet 5 1/2 inches. His first record was the eight-pound shot, which he sent 67 feet 7 inches, beating M. J. Sheridan's world's record by exactly 6 feet. His other figures were: 12-pound shot, 55 feet 1 1/2 inches; 14-pound shot, 51 feet 6 1/2 inches; 15-pound shot, 43 feet 9 1/2 inches; 28-pound shot, 34 feet 5 1/2 inches—all new marks. With the 24-pound shot he failed by a quarter of an inch to equal his own world's record of 38 feet 2 1/2 inches.

Forrest Smithson, of the Muttonhugh Athletic Club of Oregon, won the high hurdle race, but was beaten over the low hurdles by O. E. Langman of the Irish low hurdles by A. C. of New York, to whom he conceded ten yards. Harry L. Hillman fell over a hurdle in this event.

Melvin W. Sheppard of the Irish-American Athletic Club, and Andrew G. Larner of the Olympic Club, San Francisco, were the scratch men in the 600 yard race. Sheppard finished second in this event, being beaten by inches only by his clubmate, J. Bromlow, a ten-year man. Larner finished seventh, close up.

John J. Flanagan, the world's champion hammer thrower, did not compete. C. A. A. U. ANNUAL MEETING.

Toronto, Sept. 16.—The twenty-fourth annual meeting of the Canadian Amateur Athletic Association was held at the King Edward on Saturday, and was the most satisfactory in the history of that body, which now governs athletics in Canada from the Atlantic to the Pacific. The union was shown to have increased almost tenfold during the last year, with prospects which point to continued unprecedented progress.

President Stark was in the chair, and was prevailed upon to accept the Presidency for another year, after having made up his mind to retire.

The President's address was a most interesting one, pointing out many features of importance, chief among them being the surprising growth of the union during the year. The C.A.A.U. has grown from a body incorporating sixteen organizations, representing sixteen clubs, to one of thirty-seven organizations, representing 479 clubs.

## LEADERS WON IN CITY LEAGUE

### But Dundas Gave Baitannias a Great Scare on Saturday.

Brits and Saints Will Play Their Last Game of the Season Next Saturday—Torontos Won and Lost—Times Job Room Ball Team Won Again.

By winning their games on Saturday the Britannias and St. Patrick's kept their respective positions in the City League race, but the season is so near to its close that there is no chance of the Britannias being beaten in the race for the championship. There was a chance up to Saturday, and the Dundas team almost made good. Up to the last minute the suburbanites were in the lead, but at the very last minute Carson, the Dundas left fielder, who has been a weak spot all season, again failed, and lost the game. The standing is:

Table with 2 columns: Team Name and Wins/Losses/Draws. Includes Britannias, St. Patrick's, Westinghouse, Dundas, and others.

Dundas should have won the first game. The team was in good shape, having Easterbrook to catch and Frank Maxey on second. Easterbrook, however, was one of the chief factors in the loss of the game. He had two passed balls, and one of them let in two runs, because he did not half hustle after the ball. Carson was the other factor in the loss of the game. He threw away a chance to score a run in the sixth, and then muffed an easy fly that gave the Britannias two runs. Holley pitched for Dundas, and the Brits made only three hits off him. The number of good pitchers the Dundas team has had this season has been remarkable—Barlow, Patterson, Walker, Holley and others—and all good enough to win, if they had any support, but sloppy fielding has been the ruin of the club's chances.

In the first inning Conkle got first base, and Howard bunted. Sheer tried to cut the runner off at second, and got neither. Easterbrook allowed both to score on passed balls. Dundas had its look in the fourth. With Holley out, Conkle's error gave Benton a life, and Carson hunted and Benton beat a third home, but Carson was caught off first. A base on balls to Easterbrook and errors by Hackbusch and White gave Dundas two more runs, and a lead of one. No more scoring was done until the sixth. For Dundas Carson hit for two bases and Easterbrook made a long drive to left centre. Carson could easily have scored, but was satisfied with three—and got no further. For the Brits Coultis hit to Sheer, who fumbled. The next two men went out. White hit safely to left and drove in the run that tied the score, and Wark's easy fly to Holley was muffed, and the Britannias were victorious.

Table with 2 columns: Team Name and Wins/Losses/Draws. Includes Dundas, Weaver, Holley, Benton, Carson, Easterbrook, Maxey, Sheer, Crawford, Britannias, Conkle, Howard, Coultis, White, Bradley, Wark, Weller.

Mr. Jones Hobbies No More. He wisely invested in a bottle of Putnam's Corn Extract. It removed several hard corns and calluses, and now he walks without hobbling. In twenty-four hours painless and sure is Putnam's. Try it.

Ambition is the germ from which all growth of nobleness proceeds. T. D. English.

WOODBINE OPENING. Immense Crowds at Fall Meeting of the O. J. C. Toronto, Sept. 16.—Fast horses and fine weather form a combination which seems to be almost irresistible if one can judge by the auspicious opening of the Ontario Jockey Club's annual autumn meeting, on Saturday afternoon. The gloriously warm and bright September day was just suited for the enjoyment of the sport of kings, and drew to the Woodbine a crowd such as might be seen on King's Plate Day or the occasion of some other such popular feature race. The stands and enclosures were well filled, and vari-colored with the bright hues of ladies' dresses—for the horse is mighty popular with the women, or some of them. Others may have followed the giddy whirl of society and absent themselves in gaily ornamented carriages to observe the garments of others. The horses were sent to the post for the first race at 2.30, and seven events, including the Toronto Autumn Cup, the feature of the programme, were run.

For those who sport proclivities impelled them to seek some way of parting with their weekly stipends there was no lack of facilities. Between twenty and thirty bookmakers, their little elated displaying the odds held aloft, urged their patrons, or rather their prey, congregated in the lower enclosure to "step big" guinea. For was the alluring invitation, albeit delivered in raucous tones, and attended by the glib con-man with chalk and slate and his satellites with mixed books and catch, swarmed the mixed crowd of spectators, which is so marked a feature of a racing meeting. It is hard work this picking winners, remarked an elderly woman to a bookmaker. The excitement was far too novel to be echoed by many for few of the

## Some Snap Shots at Sport and Sportsmen

The Canadian Rugby Union rules, which will govern football in Canada this year, provide for the playing of 14 men a side, instead of 12, as was the case last year in the Ontario Union.

The snap-back method of getting the ball out has been abolished, and the new scrimmage, without interference with the ball, until it has been touched by a foot, adopted. The ball must be put in motion by the scrumrunner's foot.

The opposing scrimmage, and wings may charge the instant the ball is placed on the ground, but the ball cannot be touched until it is touched by a scrumrunner's foot, either to heel it out or kick it forward.

there isn't anything else to do he appears as a racing skater. To-day at the C. A. A. U. championships he is walking in the mile race. He runs a bit, too. "The next thing I suppose he will be putting the shot or going over the hurdles," remarked Secretary Norton Crow, of the C. A. A. U., when he received Hamilton's entry as a walker.

At the regular meeting of the Century Club a resolution of sympathy was passed for the President, who contracted a severe cold while sitting in the Gore Park. The members expressed the opinion that now the evenings are getting chilly, the caretaker should close the park gates—to prevent draughts.

Big Jeff O'Brien, who played with Hamilton Tigers this season, and Orilla last year, has been playing with Quebec against Ottawa Nationals for the eastern intermediate championship, and the usual protest is in order. What would lacrosse amount to any way without protests?
