## M. McDONOUGH

MERCHANT TAILOR 22 North Market Street. JOSEPH G. MATHEWS.

Attorney-at-Law, &c.

The Weekly Freeman. A few weeks ago Sir John A. Macdon- The Scott Act in Nova Scotia. In his sermon in St. Michael's Cathe-

Saturday, June 7, 1884

Shops and Tenements on Brussels and speeches in Parliament, etc. They imareferred to the Legislature in committee, good and equally cheap." gined that these would induce hundreds but on ascertaining what the general feel-

ald refused to grant better terms to The Toronto Globe's commissioner is His Grace Archbishop Lynch preached a with scant courtesy Mr. Norquay, now doing Nova Scotia, and his letters very interesting sermon on the mission of Manitoba, and it was said treated It is stated that Mr. George Stephen, who went to Ottawa to ask them.

President of the Canada Pacific Railway, has failed to raise money in the London.

The Manitoba Legislature, finding in the Course of which he said: has failed to raise money in the London itself face to face with grave financial in the Scott Act towns in this province. "Toronto, in many respects, is like the lowing: Macdonald is, and confident that he can cajole or bribe his followers to do anything, he may shrink from so soon proving all the statements he made last session all the statements he made last session to the satisfy the politicians, the cases, could he satisfy the politicians, the cases of the sake of right and justice he consented to do in order to avoid trouble. He imagined, perhaps, that, as in many other cases, could he satisfy the politicians, the cases, could he satisfy the politicians, the case of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. He imagined has been cased as the sake of right and justice he consented to do in order to avoid trouble. The land trouble are the sake of right and justice he consented to do in order to avoid trouble. The land trouble are the sake of right and justice he consented to do in order to avoid trouble. The land trouble are the sake of right and justice he consented to do in order to avoid trouble. The land trouble are the sake of right and justice he consented to do in order to avoid trouble. The land trouble are the sake of right and justice he consented to do in order to avoid trouble. The land trouble are the sake of right and justice he consented to do in order to avoid trouble. The land trouble are the sake of right and tive. And yet he must be completely in the power of the company or he would the power

the Canada Pacific Railway, or for any other purpose than the extension of the Manitoba, Southern and Western road, the only road in the Northwest which had an independent charter. That road would have been built if the Dominior Government had acted justly towards the company which undertook it. But the Canada Pacific Railway Syndicate wanted to control that road also in order to make their monopoly complete, and the Government helped them so that the other company were glad to sell out. Now it company were glad to sell company were glad to sell out. Now it is not to be built, and the settlers in one it was proposed that the subsidy, instead it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy, instead it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy, instead it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not to be built, and the settlers in one it was proposed that the subsidy is not of the most fertile parts of the North
West, who were waiting for its construccrease every two and a half years, accordthe most fertile parts of the North
of increasing every ten years, should in the influence of liquor. At Bridgetown, have pronounced against the Assessment from Mr. Parnell, and of the large num tion to give value to their property, will ing to the estimated increase of populabe forced to migrate to Dakota, as so tion. This would place the Government things prevails, and regarding Yarmouth, and ambiguous;" that it taxes the to consent to a Committee to inquire into the subject. The shapes contains the subject. FOR SOLO OF TO LOT.

THE PROPERTY 157 Waterloo street, owned and lately occupied by Hon.

T. W. Anglin.

The Distriction of the largest and most commodious in the city, is thoroughly well built and well finished; has all modern conveniences, and is neated throughout by mand redress of grievances which had because the Government in an easy position, and Mr. Norquay and miss that Mr. Stephen has failed to many others have done. Mr. Van Horne in an easy position, and Mr. Norquay and his colleagues would probably have accepted the offer. But the only lands accepted the offer. But the only lands are tension, and in a letter published a few days ago he asserted that the farmers who the swamp lands. He would give the foundation of the largest and most commodious in the city, is the did those meetings last winter to denote the swamp lands. He would give the swamp lands are the swamp lands. He would give the swamp lands are the swamp lands. He would give the swamp lands are the swamp lands. He would give the street, and crime was almost unknown in the county." The days ago he asserted that the farmers who days ago he asserted that the farmers who days ago he asserted that the subject. The changes required in the was told that "a drunken man was abroad, while exempting a non-r sident's property here; that our local banks are the swamp lands. He would give the swamp lands are the swamp lands. He would give the street, and crime was almost cunknown in the county." The same da

held those meetings last winter to delabel mand redress of grievances which had bemand redress of grievances which had become intolerable, have caused this failure
by their complaints, and demands, and
threats. This is very absurd. The real
cause of the failure is the mismanagement
and blundering of the Syndicate and the
Government controlled by the Syndicate.

They were too greedy; they depended
