

The following is the Memorial referred to.

To the Honorable Sir Wm V. Whiteway, K. C. M. G., Attorney General, in Joint Committee on the Newfoundland Railway.

The Memorial of the inhabitants of Carbonar humbly sheweth that your memorialists have recently presented a Petition to the Honorable the House of Assembly, praying that a Branch of the proposed Railway be extended to Carbonar, but fearing that the said Petition have not met with the favorable reception which its importance demands, they feel constrained in justice to themselves to submit respectfully this memorial to the consideration of the Joint Committee.

In addition to the various other reasons that might be addressed in favor of the required Branch your Memorialists beg leave respectfully to state that the trade of Carbonar alone, with St. John's, is greater than that of Harbor Grace as the merchants of Harbor Grace import their Goods direct, whereas most of the Carbonar merchants and traders get theirs from and through St. John's.

That nearly all the passengers from Trinity Bay and Bay de Verd Districts come to Carbonar to take passage in the steamer for St. John's, and the population of the three first mentioned districts is about twenty-two thousand.

That Carbonar is the nearest port to the North Shore for shipping their fish or sending it to St. John's.

That it is the most convenient Harbor for refuge for vessels bound North or South, over a hundred and fifty vessels being sometimes detained here waiting for a favorable wind.

That it is the best harbor in the Island for bait; about fifty bankers procured bait here three times last summer.

That the Revenue collected is six times greater than that of Brigus, and four times that at Brigus and Bay Roberts.

That there are apparently no engineering difficulties, and the distance would be but about seven miles to connect with the Harbor Grace Branch.

Whereupon your Memorialists humbly pray that you will be pleased to take their case into your favorable consideration and cause the Railway to be extended to Carbonar, and as in duty bound they will ever pray.

[FOR THE HERALD.]

REYNARD.

A young lady named Annie Stapleton, left her house to call on a friend on Tuesday night between 8 and 9 o'clock as is supposed she mistook the firebreak going down between Goss & Parsons' and Messrs Udell for that going down to the police station and walked over the breastwork. Her body was found the next morning in four feet of water, she was about 28 years of age.

It is also our painful duty today to record the death of Mr. Nicolas Kennedy an old and respectable inhabitant of Crocker's Cove in the 74th year of his age. He was interred on Tuesday last, after solemn High Mass.

**BEWARE OF AMERICAN COUNTERFEITS.**

I most respectfully take leave to call the attention of the Public generally to the fact, that certain Houses in New York are sending to many parts of the globe **SPURIOUS IMITATIONS** of my Pills and Ointment. These frauds bears on their labels some address in New York.

I do not allow my medicines to be sold in any part of the United States, I have no Agents there. My Medicines are only made by me, at 533 Oxford Street London.

In the books of directions affixed to the spurious make is a caution, warning the Public against being deceived by counterfeits. Do not be misled by this audacious trick, as they are the counterfeiters they pretend to denounce.

These counterfeits are purchased by unprincipled Vendors at one-half the price of my Pills and Ointment, and are sold to you as my genuine medicines.

I most earnestly appeal to that sense of justice, which I feel sure I may venture upon asking from all honorable persons, to assist me, and the Public, as far as may lie in their power, in denouncing this shameful Fraud.

Each Pot and Box of the Genuine Medicines, bears the British Government Stamp, with the words "HOLLOWAY'S PILLS AND ONTMENT, LONDON" engraved thereon. On the label is the address, 533, OXFORD STREET, LONDON, where alone they are manufactured. Holloway's Pills and Ointment bearing any other address are counterfeits.

The Trade Mark of these Medicines are registered in Ottawa. Hence, any one throughout the British Possessions who may keep the American Counterfeits for sale, will be prosecuted.
