SOMETHING OPTICIAN. THINK OVER.

You are aware that you cannot go without food and still retain your strength; yet you do neglect the exercise and recreation necessary to perfect health and long life.

Why don't you buy a bicycle, ride it and add ten long years to your life? You can then, with clear brain and added energy, accomplish more

Important Items.

(From the Ave Maria.)

The municipal council of the Commure of Bleuzy rewhich would entail a heavy charge rate-payers, and would, mmune already possesses flourishng schools, and the attendance is notably large; but the schools are not godless, hence the officious interference of the state. The conneil reprobates this action most energetcally as a violation of the rights of one councillor pointed to other countries, notably Austria, in which hese parental rights are respected. There," said he, "everyone-be he Protestant, Jew, or Freemasonhas the right to send his children to national character. she school of his choice. Now, compare the liberty which reigns in Austria to our vaunted liberty the Algerian bretheren are con- jumped up in great alarm and some here in France." The point was spicaous for their activity, who, one shouted, "Run for your lives." well taken; and, any way, we should imagine that the godless to bring out a good understanding to their feet and an ugly rush for school in France has already pro- with the Greek Catholics and ad- the doors was beginning, when the

tradition, the question is manifestly ne of the first importance; and it Christian doctrine the Bible can be literary criticism has not dissolved Est'b. 1879 this bistory (of Christ in the Gospels) into a myth disappears in the ace of the experience which the receptive heart feels when under the that the Bible is still authoritative for those woo believe in its authority who are Christians irrespective of its authority. Verily, there have been "variations" since Bossuet's city.

Missionary work among the non-Catholics of England is sure to be of Cardinal Vaughan, who, though one of the busiest men in Europe, apostolate. He has delivered a a Protestant stronghold; and, to the surprise of many, he has been reis quoted by the Weekly Register: Catholics : nearly every time I met

Catholic Interests in Jerusalem

The Warte des Tempele, a German paper published by a strange sect in Jerusalem, gives the following interesting account of Catholicism in the Holy City: "The most active religious community in and around Jerusalem in the establish ment of institutions of various kinds is composed of Roman Catholics. Their work is under the general direction of a Patriarch, whose seat is in the sacred city and who has

tailors, locksmiths, etc., which do for the Anglicans. work primarily for the cloister, but als) for outsiders, and, besides, give the natives the opportunity of learning a useful trade. In connection the Geographical Society's hall, in with this cloister there is also an the Boulevard St. Germain, Paris a

numerable Protestant sects that so long proclaimed the Bible as the sole rule of faith, that took their gaged in learned pursuits, particularly arobæological researches. It stand upon the Bible alone, rejecting the authority of the Church and is the intention that their new in- Vicar Apostolic of North Queens for him only who has found in the girls' schools bave been opened, Christ of the Holy Scriptures God with a good attendance, while in United States. Bethlehem is to be found an orphan home with fully 200 inmates. Of hospitals proper the Catholics poz-sess four in the city, all of them world 30 000 prices who gard large, the Notre Dame de France alone being able to accommodate 400 the Sulpicians in their different Is it all true? I inquired. 'Oh, power of the Gospel." All of pilgrims, The Catholic hospital St. Louis is in charge of French Sisters. Nor does even this list ex-haust the number of institutions of

Catholics of England is sure to be greatly stimulated by the example of Cardinal Vaughan, who, though ceieved gladly and heard respecttolly. The effect of these "missions" on those within the fold is Greek or Russian school of importevery Catholic would live ap to his creed even for a single day, there would not be a Protestant left in the cloisters, but must provide their the evening. And this hard—too own bed and board. In recent hard—saying of Cardinal Manning years the Russians have been actually extravagant in the erection of cloisters, churches, etc., in and around the city. In these pilgrim one I was driven back on my houses there is pilgrims, but these offer only houses there is room for 7,000 shelter, not food or bed. Nearly every Russian pilgrim brings his own sack of dry rye bread and his tin tea-pot with him."

A Wise Reserve.

From the Liverpool Catholic Times, Reports of conversions from the Church of England to the Catholic Church are naturally very un pleasant reading for Anglicans; but to attempt to balance their loss prominent place in the realm of by counting the gains through accontrol of all the order settlements with considerable difficulty. In the in the country and all the Cataolic first place they are happily very for his scientific attainments along missions in Palestine and east of the few in comparison, and in the next the line of astronomy; so was Fath-Jordan. The patriarchate was es- we are informed by the Church or Perry of England, and, in our tablished about forty years ago, and Times that although these perver- own country, Georgetown Univerthe step was taken by the Vatican largely because of the erection of the Protestant bishopric some years "nothing is said when a Romanist studying the heavenly bodies."
