### War News.

Tripoli, Nov. 10.—Strong forces of Turks and Arabs, supported by artillery delivered a determined attack on the Italians today along the line between Hamidish and Boumeliana, but principally against the extreme left.

Beginning early this morning with a series of skirmishes the fighting about noon took on the character of a general action. As usual the Turks displayed desperate courage but were unable to withstand the tremendous combined fire from the trenches and the field artillery and guns of the armored cruiser Alberto, which lay in the roadstead, therefore they retreated all along the line. No Italian losses have been reported.

While the eleventh Bersaglieri were attacking the fort at Hamidish, which had been stormed last night they were suddenly taken on the flank by a large force of Arabs hidden in the palm and olive groves. Heavy losses were sustained before the enemy were beaten off.
