The Cost of Tea

HAS ADVANCED

sharply and considerably lately, after a previous earlier rise, but still it looks like even much higher prices for teas.

MOUNT VIEW TEA,

in 1 lb. air-tight packages, which we retail at

50c. per lb. only,

is the best value on the St. John's market. We have kept this tea at the square price of 50c. lb. for some time, despite various advances in landed cost, and will do so as long as our present stock lasts. At present market quotations the price should be 70c. lb. and it follows that prices must advance later.

MOUNT VIEW TEA

is a comparatively new arrival in St. John's, but has been gaining many patrons and holding them. The flavor is right, and the quality is shown by the fact that a pound of Mount View Tea will go as far as any other tea on the market selling from 60c. to 70c. lb. and at least half as far again as any tea selling at 45c. lb. Wise housekeepers who try our Mount View Tea will find they save much money and get a delightful tea.
