Knock Down Motor Engines.

4 H.P., 111000; 8 H.P., 2 CYLINDER, \$175.00.

A new idea in Motors. We have secured the agency for the celebrated "Knock Down Motor Engines." Each part of these engines is made so perfect that it is not necessary to assemble and test the engine before shipment. You save the cost of all that work by doing the work yourself.
All parts of the engine are carefully packed and shipped just as they come from the automatic machines at the factory—no even painted—full dimensions for assembling, including a list of tools, number and name of each part, are sent you. The Company guarantees that every part will fit perfectly, and that any man who can read English and use a wrench can set them up.
These engines are guaranteed exactly the same as common engines that have been fitted and tested at the factory and sold at double the price. Why not save a month's wages by setting up your own engine.
These engines are 2 cycle. Price guaranteed to May 15. Terms: half cash with order, balance on arrival. In rare orders, can wire order and have engine sent by express. Purchaser to pay difference in charges.

SEEDS.

Confidence is the greatest factor that enters into the buying of a finished product, but only the means by which your confidence may be either a success or a partial failure.
You will make no mistake in placing confidence in our selection of seeds, as our selection is made by half-hearted about working your war garden.
Don't be half-hearted about making it a big success.

Watch Our Curtis Offering.

The \$10.00 block was heavily oversubscribed, and the \$12.50 block is selling rapidly, and may be oversold any day. It is especially attractive, because it is a going proven business, and because results can be obtained in a few months. There is every probability that this stock will have doubled in value by New Year, based upon its earnings, and that it will be worth five times its par value within fifteen months.
The industrial promotions have not had one failure. Not one man anywhere has lost a single dollar, and 15,000 clients have made, and are making, big profits.
CURTIS BROS. HANDLE SHARES NOW \$12.50. None to offer on the partial payment plan.

Fishermen, now is the time to secure O. Mustad's Jiggers or Plink Hooks. They are bright, small and act as a minnow, attach small swivels to make it spin. Just try this famous Norwegian fish killer, any ordinary lead sinker will suit, but place one swivel above the sinker and the other below to keep your line from twisting.
