No one over knew how it happened, but while the policemen consulted and angry foot-passengers turned to look after the foaming steed and its rider, in one moment the horse shied, then reared, and Paul Fulton was dashed to the ground. For several yards he was dragged along by the frightened, half-maddened animal; then rose from all lookers-on a terrible cry, and one or two brave men started off, and after some dangerous efforts succeed ed in stopping the horse and rescuin its hapless rider. They thought he was dead when he was raised from he ground, for on the white face there was a deep, crimson stain, and wide, gaping wound on the head-
