PROOFS OF THE SUPERIOR QUALITY

They are simpler in structure, and therefore stonger, and less likely to be injured than the majority of foreign waches. They are composed of rom 125 to 300 pieces, while in an old English watch there are more than 700 parts.

How they run under the hardest trial watches can have, is shown by the following letters:

Yours respectfully, CHAS. WILSON, G. Chief Engineer, Brotherhood of Locomotive Engineerican Watch Co., Waltham, Mass.

Home Watch Company, Boston, Mass
All of these, with the exception of the Home
Watch Company, are warranted by the American
Watch Company to be of the beat material, on the
most approved improved principle, and to possess
every requisite for a reliable time-keeper. Every
dealer selling these waiches 's provided with the
Company's printed card of guarantee, which
should accompany each watch sold, so that buyers
may led sure that they are purchasing the genuine
article. There are numerons counterfeits and imitation to our watches sold throughout the covity, and we would caution purchasers to be on
their guard against imposition.
Any grades of Waltham Watches may be purchased of watch dealers.
Testimorals can be obtained on application
from many persons in Canada who have worn the
watches with the greatest astishetion.
