## DRESS AND MANTLE MAKING

**The Fashionable West End.**

**To the Ladies:**

We have during the past two years con-  
templated the establishment of a Dress  
Making Department, in connection with  
our other branches. The difficulty  
of obtaining a suitable person to take  
charge, has up to the present time, only  
presented us from doing so.

We have now great pleasure in inform-  
ing you that we have secured the services  
of Miss Morrison, of Toronto, a lady  
of first-class abilities, highly recom-  
mended to us, and we believe, eminently  
qualified to give complete satisfaction in  
every respect. Miss Morrison has for  
the past ten years occupied the position  
of cutter and fitter in one of the leading  
Fashionable Dress Making Establish-  
ments in the City of Toronto.

Miss Morrison is also an experienced  
Mantle maker, and all orders entrusted  
to her will be executed in a style equal  
to anything that can be obtained in the  
largest cities.

Orders for these departments will be  
received on and after Monday next, the  
4th of May.

**A. O. BUCHAM,**  
Fashionable West End Dress, Mantle  
and Millinery Establishment.

**Guelph Evening Mercury**

**TUESDAY EVENING, JUNE 17, 1873.**

**Town and County News.**

**LECTURE.**—Mr. E. E. Parrott, Agent of  
the Grand Lodge of the I. O. of G. T.,  
will deliver a lecture on Temperance on  
Friday night, at No. 2 1/2 School House, in  
the Paisley Block.

**FINANCIAL.**—The information was  
elicited last night at the Council meeting  
that the rate of assessment for the pre-  
sent year would be 1 1/2 cents in the \$,  
which would leave a balance as per esti-  
mate of a little over \$900.

**"ALL AMONG THE CLOVER."**—J. Andor-  
son has copies of this favorite song and  
chorus. It is written in the key of D,  
and both air and accompaniment are  
simple and pleasing. Mailed to any ad-  
dress on receipt of price—36 cents.

**STRAWBERRY FESTIVAL.**—A strawberry  
festival in aid of the Ladies' Fund of St.  
George's Church will be held in the Drill  
Shed on Wednesday, 25th inst. The  
Vocal String Band has been engaged and  
will be in attendance. Price of ad-  
mission 10 cents. Don't forget it.

**INSPECTOR OF LICENSES.**—Mr. N. Croft  
has been appointed Inspector of Licenses  
at a salary of \$100 per annum. He is  
required to give security for the proper  
discharge of his duty. Let the temper-  
ance advocates see that it is done—less  
preaching and more practical working  
would advance their interests in a sub-  
stantial manner.

**THE NIGHT WATCH.**—In consequence  
of the new police arrangements, Mr.  
Mitchell, for some months past night  
watchman, has decided to give up his  
duties at the end of this week. Mr.  
Mitchell has been a very efficient watch-  
man, and no doubt he would have been  
well supported had he remained, but he  
thinks there is no necessity for his ser-  
vices now.

**BROGUES FOR MANITOBA.**—Messrs. J. B.  
Armstrong & Co. received an order to-day  
for six of their buggies to be shipped to  
Mr. Livingstone, formerly of Elora, and  
now living in Manitoba. This is the  
second shipment Messrs. Armstrong &  
Co. have made to that Province, and  
there is every prospect that the business  
will be greatly extended, as the excel-  
lence of our Guelph buggies become better  
known.

This singular escape from death by  
lightning is recorded in the North  
Wellington Times.—A thunderstorm passed  
over the Hereward neighborhood in East  
Garafraxa on Tuesday afternoon. The  
lightning struck Atkinson's Rossin  
house, going down a chimney, along  
stove-pipes through two rooms, out  
through the bottom of the stove, and  
through the floor into the cellar. Some  
of the stove-pipes were ripped open and  
thrown out of the house by the electric  
fluid, which shattered the bottom of the  
stove and splintered a sleeper, as also a  
large elm post on which it rested. Though  
there were people in the two rooms  
through which the lightning passed in the  
stove-pipe, none of them were in-  
jured, and the damage to property is very  
slight.

**RACES.**—On Monday afternoon several  
impromptu races were got up, and came  
off on the race course in presence of quite  
a number of spectators, who enjoyed the  
afternoon's sport very much. The first  
was a trotting race between two horses  
belonging to butchers. After a spirited  
trot the brown horse won. The next was  
a trot between Woods' "White Rose" and  
Deveraux's roan mare, which was won by  
"White Rose." Next was a running race  
between W. West's "Blackbird," John  
Banyan's sorrel Kate, Hearn's mare, W.  
Wood's "Grey Tom" and John West's  
"Old Bob." This was a capital race, and  
was keenly contested, "Old Bob" sur-  
prised all by coming in ahead. A foot  
race next came off between G. Amos and  
—Simmons mile heat. It was won by  
the latter. Next a foot race between  
Burns and Clarke—mile heat—won by  
Burns. The last was a foot race—100  
yards—between Watson McPhail and a  
stranger just out from Hawick. Watson  
came in first, and Hawick second.

**JUST RECEIVED** at the Golden Lion—  
Chance & Williamson's noted cheap  
goods—one case of Jonvin's two-buttoned  
kid gloves in all shades and sizes. The  
best glove made at \$1.25.

**RESIGNATION OF CANON RAMSAY.**—Ac-  
cording to the Mail the Rev. Canon Ram-  
say, acting on the advice of the Bishop,  
has sent in his resignation of his charge  
at Newmarket, to take effect on the 1st  
of July.

first seven clauses.

Fortress Monroe, June 16.—The Nor-  
wegian bark "Asto," from Havana for  
Havre, arrived in the Roads to-day with  
yellow fever on board. One man died on  
the passage. The captain and three men  
have the fever, but are convalescing.

cendiarism in Mexico and Missouri  
yesterday destroyed \$30,000 worth of  
property.

The court-house, Green County, Ark.,  
with all the records was burned on the  
12th inst.

early this morning raging in Westboro',  
Mass., and is threatening the whole  
town. The fire department of Worcester  
has been called on for aid.

The boiler in Queen's glue factory,  
Rahway, N. J., exploded yesterday, de-  
molishing the factory, and killing Frank  
Weiss and fatally injuring two others.

It is stated that the Navy Department  
has purchased the British steamer  
"Tigris," which will be re-manned by  
American officers, and sent in search of  
the "Polaris."

New York, June 16.—The last day of  
the spring meeting of the Prospect Fair  
Grounds Association. First race, run-  
ning race, mile heats best 3 in 5. Two

ond race, purse \$1,000, for horses that

first, third and fourth heats. "Ida Pic-  
ton" winning the second heat and sec-  
ond place. Time 2:30, 2:27, 2:30 and  
2:32.

Chicago, June 16.—A desperate fight  
occurred here this morning at the corner  
of Halsted and Erie Streets between  
three police officers and some burglars,  
which resulted in the shooting and prob-  
ably killing of Jack Allen, one of the  
most daring and notorious thieves in the  
country, and the capture of Jake Boggio  
alias Rogers, or one-armed Dave, a  
scarcely less noted villain.

Nashville, Tenn., 16.—In Rutherford  
County, about three weeks ago, Joe  
Woods (colored) ravished a widow and  
knocked her on the head with an axe.  
The woman died on Saturday night, and  
a party of fifty men took him to the  
woods and hung him.

Thirty-two interments from cholera  
are reported since Saturday, and a large  
percentage of those attacked have re-  
covered. The deaths are principally of  
colored people.

Cincinnati, June 16.—A few cases re-  
sembling cholera has appeared within  
the past few days. One fatal; no  
excitement on the subject.

**Breakage.**

(Special to the Evening Mercury per Mon-  
day Evening.)

St. Catharines, June 17.—The prop-  
er "Granite State," of the Northern  
Transportation Company, bound up,  
broke four gates of lock No. 2, Welland  
Canal, this morning.

Navigation will be interrupted for  
three or four days, owing to the break.

**Royal Arch Chapter No. 40.**

At the regular communication of the  
R. A. C. No. 40, held in the Masonic  
Hall, on Friday night last, the following  
officers were elected for the current  
year:—

V. E. C. W. D. Hepburn, H.  
E. C. G. W. Jessop, H.  
E. C. F. Biscoe, J.  
C. J. Minnae, Scribe E.  
C. W. H. Paterson, N.  
C. J. E. Worfolk, Treas.  
C. Hugh Walker, P. Sojourner.  
C. Geo. Smith, Janitor.

**STRAITFORD PUBLIC SCHOOLS.**—Complaints  
have been rife respecting the condition  
and management of Stratford Public  
Schools, and the Editor of the Beacon  
has taken some pains to ascertain if they  
are well-founded. The result is given in  
its columns.—"So far as we have been  
able to ascertain, it appears that the dis-  
cipline in the various departments is not  
sufficiently strict, that the organization  
of classes is defective, that the schools  
are over crowded, and the regulations of  
the new School Act are not carried out."  
Plenty of room for improvement.

The Northern Advocate says:—On  
Wednesday last about 50 Norwegian Im-  
migrants passed en route to the township  
of Montclair. This township has been  
set aside as a Norwegian settlement, and  
we trust the experiment will be a suc-  
cess.

The Hamilton murderer, Thomas  
Fields is trying to play the insanity  
dodge.

Go to the Lion for lace and Turkish  
curtains.—Chance & Williamson.

## OUT-SIDE SPORTS.

**BASE BALL.**

**THE ATHLETICS WHITEWASH THE BOSTONS.**

The above clubs played their first  
game in Boston on the 14th, in the pre-  
sence of about 2,000 people. The Ath-  
letics completely outbatted and outfielded  
their opponents, only making two errors  
in the whole game. Time, 1 hour and  
40 minutes. The score stood at the close,  
3 to 0, the Athletics making their runs on  
the 2nd and 7th innings.

In Philadelphia, on the 14th, the Phila-  
delphia and Athletics played their 4th  
game. Some splendid batting was done  
by the Philadelphia nine, Meyerle making  
two three base hits, and Tracy and Fulmer  
making home runs. Time, 1 hour  
and 43 minutes. The following is the  
score:—

Philadelphia 1 3 0 3 3 0 0 4 0—14  
Athletics 0 1 5 0 0 3 0 0 0—9

The following matches have been ar-  
ranged:—To-day the Philadelphia and  
Boston play at Boston; to-morrow the  
Athletics and Athletics on the Union  
Grounds, Brooklyn; on the 19th Atlan-  
tics and Athletics in Baltimore; on the  
20th the Mutuals and Athletics on the  
Union Grounds; on the same day the  
Athletics and Washingtons in Wash-  
ington; on the 21st the Athletics and  
Baltimore in Baltimore; and the Ath-  
letics and Mutuals on the 4th prox.

**LOCALS.**

Two weeks to-day is the first. Match  
up your matches!  
Emery plays second base splendid, so  
the boys say. Well done, Bob.

The Athletics, town juniors, are going  
to get a suit: brown stockings, white  
pants and light shirts. The Athletics  
are a terror to the other clubs.

Some say the Unions have broke loose  
and joined the "Leafs" and Regulators.  
Pity 'tis 'tis true. They hadn't enough  
steel to carry on.

Who's coming on the first? Dilly  
says the Boston's can't come any way.  
We hope they will get the Athletics or  
Philadelphia.

The only thing notable about the Re-  
gulators is the noise they make. Don't  
all speak at once.

They have a good club away out in  
Fort Garry. Practice goes on every  
evening. Pity they're so far away, or  
we would have a match.

**CRICKET.**

A cricket match was played in Strath-  
roy on Monday between the elevens of  
Petrolia and Strathroy. The score stood  
at the close of the two innings, Petrolia,  
128; Strathroy, 101; Petrolia winning  
by 27
