

Sheriff Wheeler Does Not Care to Live If He Cannot Have

#### Sarsaparilla

It would be difficult to find a man better known in the vicinity of Burlington, Vt., than Mr. R. D. Wheeler of Winooski Falls, the efficient Deputy Winooski Falls, the enterent Deputy Sheriff of Burlington county. He says: "C. I. Hood & Co., Lowell, Mass.: "Dear Sirs: If Hood's Sarsaparilla cost

#### \$10.00 a Bottle

I should still keep using it, as I have for the past ten years. With me the question as to whether life is worth living depends upon whether I can get Hood's Sarasparilla. I don't think I could live without it now, certainly I should not wish to, and suffer as I used to. For over ten years I suffered the horces of the damned with

Sciatic Rhoumatism for if ever a man suffers with anything in this world it is with that awful discase. It seems to me as if all other physical suffering were compressed into that one. I took about everything man ever tried for it but never got a dollar's worth of help until I began taking

I have taken it now pretty regularly for ten years and have no more pain and can get around all right. I have advised a good many to try Hood's Sar-saparilla." R. D. Wheeler, Deputy Sheriff, Winooski Falls, Vt.

The foreign mission work of the society

The foreign mission work of the society comprises five missions—Central India, China (including Formosa and the Province of Hunan), the Indian work "in our own land," and the missions to Trinidad and the New Hebrides. In a letter from one of the missionaries in the New Hebrides the writer states that the islanders are killing and eating each other, and are threatening to kill all the white people. Kev. J. H. MacVicar, writing from Hunan, says: "Newcomers should not be expected to assume responsible work till five or six years after their arrival." The medical work in the Indian mission has been made a special feature, the following figures show-The foreign mission work of the society
