Headaches, Dizzy

Spells and faintness have been my afflictions for 22 years. Often I would fall in a sudden faint and several times narrowly escaped being burnt on the stove. No medicine gave me more than a few days relief, and I laughed when a friend urged me to try Hood's Sarsaparilla. But I took it and in six months I was free from all headache trouble, faintness or dizziness. I am new per-

fectly well. I cannot say too much in praise of Hood's Sarsaparilla. It is worth its weight n gold to me. MRS. R. H. HANES, Paris, Ont.

The Pastimes Lead the City Baseball League.

Toronto and Buffalo Each Dropped Two Games on Saturday.

BASEBALL.

THE PASTIMES GO UP HEAD. It was a battle for first place in the City League championship race that the Pasttimes and Balmorals fought at Erie Park on Saturday afternoon in the presence of about 600 people. Both clubs had won three and lost one game each, and a close match was expected. It was one of the loosest exhibitions of ball, however, as far as the Balmorals are concerned, that has been seen on the flats. The infield went to pieces at the start, and did not recover until all hope of winning was gone. Harry Turner, formerly of the Alerts, was in the box, and the Pastimes pounded him for fourteen hits, four of them two-baggers and one a threebagger. The Balmorals claim to have been severely "roasted" by Umpire Bryce Mc-Leod, some of whose decisions were greeted with jeers. The score:

Springfield, Mass., June 30 .- Springfield won two games from Toronto yesterday. The first game was called at the end of the fifth inning on account of rain, with Toronto ahead, but it cleared up and the game was finished. Springfield struck a batting

streak and won it out easily.

The second game was easily won by Springfield. Only seven innings were played, but in that time Springfield touched up Gray in good style. Couglin held the visitors down well. The grounds were slippery, and good fielding was impossible. Shannon had the worst luck fielding. EASTERN LEAGUE SCORES-SATURDAY. At Providence-First game-

CRICKET. The London team which will face the Exeter club today comprises: J. C. Ross, Grew, Becher, Daly, Barker, Skee, Wallace,

Butler, Harris, Love and Maclaren. The match will be played on the London grounds, St. James street, commencing at 10 o'clock. ATHLETICS "Continuous races" are an odd sport of the Santa Clara Indians of New Mex-

ica. An equal number of men on each side are stationed about 500 feet apart; the two end men are started, and each succeeding man in the line takes up the running as fast as the next man comes up with him. Last Corpus Christi Day there was a continuous race between the married and single men of the tribe, and the married men won handsomely.

-One hundred and twenty-five children of the parish approached their first communion at St. Peter's Cathedral at 8:30 o'clock yesterday morning, when mass was celebrated by Bishop O'Connor, assisted by Fathers Tiernan, Valentine and McKeown. The entire class received the rite of confirmation by Bishop O'Connor at 10:30 mass, which was celebrated by Rev. Father Tier-nan. His Lordship delivered a very earnest address, especially calling the attention of the 75 boys to the evils of intemperance, and urging upon them to keep the total abstinence pledge, not only until they were 21 years of age, but during their entire life. To the girls Bishop O'Connor gave a warning against literature, etc., which would tend to immorality. At 3 o'clock in the afternoon the baptismal vow was received by the class.

CONNOR'S

SHEET METAL REFRIGERATORS

In Preference to Any Other:

They are artistic and comtact.
They consume less ice and consequently cost

less to keep going.

They are made of sheet metal, and will not

warp if exposed to heat,
They are light and can be easily moved around.

They are durable,
They can be easily kept clean,
And last, but most important of all reasons,
they do not absorb moisture, and consequently
omit no oder after being in use a few months.
