The whole of signed the bar of species of the post of the 15 m. M. Termi I for the post of the 15 m. M. Termi I for the species of The 15 m. M. Termi I for the 15 m. Termi appointed. The members of Sir John
Thompson's Government without a single
exception have, we understand, accepted
places in Mr. Bowell's Cabinet. Sir Charles
Hibbert Tupper is the new Minister of Justice, the Hon. Mr. Gostigan
takes his department, and the Hon. Mr.
Dickey enters the Ministerial ranks
as Secretary of State. Mr. Dickey is a
sou of the Senator of that name. He represents Cumberland, Nova Scotis, in the

His parliamentary

\$599,934; \$715,449; \$806,487; and in 1893,
\$841,012. An increase of revenue amounting to nearly 100 per cent. in six years is
something we think unprecedented even on
this continent in which communities grow
to rapidly. At any rate British Columbians have good reason to feel encouraged
at the result, and to continue to maintain
the policy which has done so much for the
province in so shoot a time.

The reader of the Budget speech will see
that in the expenditure of the people's

THE BUDGET SPEECH.

times affect governments as well as individuals. A business depression which
embarrasses any considerable number of the
taxpayers lessens the Government's receipts of his time in exposing the shallowness and feetly solvent and with excellent

The Hop. Mr. Turner, this year gives a frank and remarkably clear account of the financial condition of the Prov. who are doing their beat to carry the Prov. ince. He tells the Legislature and the countries of the province safely through a period of depression came he found that instead of having a surplus to draw upon he had to face an overdraft of \$230,000, and that the expenditure exceeded the estimate by some \$330,000. The cause of this deficiency wastwofold—the expenditure from causes that no one could have foreseen was greater than had been calculated upon, and the receipts were less than the Finance Minister had reason to expect. The than were estimated. He holds nothing back. The reader of the speech will find no involved statements which are hard to understand Nothing is easier than to follow him in this part of his speech, and we are quite sure that nine men out of ten will pronounce the statement to be reasonable

It is natural to conclude that the Government, like a great many other creditors, found it impossible to collect all that was due them. A very considerable percentage

have not been induced by the croakings of timid friends or the dismai predictions improvements, gone on with the projected improvements, and they propose in the butchers are allowed to kill them and worry courrent and coming year besides doing their them to death on land.

Women who can't take pills can have that billiousness removed from their systems by Essliny's Liver Lozenges. 25 cts. at of the Province. The estimates for the coming year are on the same liberal scale as that of former years. No service is to be starved and no necessary public work neglected. As

nee Minister pointed out, the putlay of past years besides improving the Province has yielded a substantial return in the shape of increased revenue. The show-THE NEW CABLINET.

Ing is a remarkable one. "Lawing out the land sales," said the Hon. Mr. Turner, "we find that the revenue from 1888

1892 being the product of the mines, \$3.541.305 1892 of the fisheries, and \$411,623 from the Hon. A. R. Dickey, Sec'y of State...... 1894 Hon. Donald Ferguson (without portfolio). 1894 confident, below the mark when he sets down the exports "in a few years" to be nearer \$10,000,000 than \$8,000,000. The ral..... 1892 imports required by this small community were in the same year \$5. 320,615. the executive.

The report and evidence taken on oath show that the most appalling cruelties have been practised upon the unfortunate lunatics, if not by your order, at least under

VANCOUVER, Dec. 19 -The unpaid water-

ore and mining on a large scale is provided for. The present cutput will be only 50 tons, a day, which can be extended to 100 and 200 tons as soon as the freighting can be provided for. The time will soon arrive when a railroad will supersede the road traffic. The Red Mountain railroad will connect at the international boundary with a line for Northport and will circulate round the bases of the mountains in this camp, on which the largest mines are situated. Work will be commenced as early as possible as the charter expires the 12th April next. This company is seeking at the present session of the legislature to take power to provide a telegraph for the convenience of the public, to erect and operate boats, wharves, etc., and to build their line as a narrow gauge road.

THE ASYLUM INQUIRY.

the asylum."
