DOMINION ELECTIONS.

Nomination, Tuesday, Nov. 22

Poling, Tuesday, Dec. 6.

Liberal Candidate for Riding of

Restigouche-Madawaska

Pius Michaud.

HON. MR. KING'S MEETING.

The great political demonstration

held Tuesday evening was without ex-

ception the greatest thing of its kind

in the North Shore. The big rink

was crowded and the excellent order

prevailing has occasioned much com-

ment. The people went to hear the

issues of the campaign, and they lis-

tened earnestly and carefully. The

applause was generous and frequent

and there was no doubt as to the po-

litical leanings of the crowd.

Hon. Mr. King spoke for an hour

and a half, and there were many who

could have listened for a longer period.

The speaker made a very deep im-

pression and the results from a Lib-

eral standpoint must have been very

beneficial to the party.

At present writing it is extremely

doubtful that the Conservative party

will be able to find a man who will

sacrifice himself in a hopeless fight.

The plan of that party is to endeavor

to induce some Farmer, Labor or in-

dependent candidate to enter the

fight and then put up a candidate with

the hope of winning as was done in

the election of a year ago. But these

tactics will not work a second time.

The electors were fooled once, but will

not be again, at least not so soon.

There is no doubt but that Resti-

gouche-Madawaska will return the

Liberal candidate. Even the Conser-

vatives admit this.

ADDING NAMES TO

VOTERS' LISTS

Word was received this week that

county court judges in the various

counties of the province would sit as

registrars, for the purpose of adding

names to the voters lists, from Octo-

ber 31 to November 5, both dates in-

clusive.

On any of these dates any British

subject who has resided in a consti-

tency for two months, or more pre-

vious to the date of the proclamation

of the election, may by applying have

their name entered on the voters list

in the place where they now reside and

any person who has reached the age

of twenty-one years since the lists

were made up in 1919 may by produc-

ing the evidence of that fact, have

their names added to the list, and this

applies to both men and women, the

dominion franchise applying equally to

both sexes.

IN WRONG TOWN.

Five visitors from one of the lower parishes of Gloucester county visited town Tuesday. In the evening they went into a local restaurant, produced a bottle of "spirits" and proceeded to make merry. The proprietor warned them to desist, but they would not. However the inspector was called in and it cost the visitors \$57.00 besides some inconvenience.

COMING, GOING ON IN TOWN.

C. G. I. T., on November 4th, 5th and 6th in the Baptist church. A Canadian Girls in Training conference will be held. Girls between the ages of fourteen and twenty-four are eligible. Those wishing to attend are asked to register with Mrs. du Guay, between four and six p.m., commencing Monday, October 31st, and closing Friday Nov. 4th, at the Campbellton Commercial College.

BOUDREAU-BOWMAN.

A pretty marriage was solemnized at the Baptist Parsonage on Wednesday afternoon the 19th inst., by Rev. W. Camp, B. D., when Mr. Hilson Boudreau of Glencoe, Rest. Co., was united in marriage to Miss Inez Bowman of Rocky Gulch. Mr. and Mrs. Boudreau will reside at Glencoe.

WORK COMPLETED.

The repair work being done to the subway was completed this week. An entire new north wing wall was built on each side and new sidewalks laid. The south wall was repaired.

MORE COMPLAINTS.
As the chilly mornings are in evi-
dence there is a renewal of complaints
as to the uncomfortable condition of
the L. N. R. passenger cars. They
are invariably chilly having Camp-
bellton. Surely a little matter like
this could be easily remedied.

DRIVES COMING ALONG.
The continued wet weather has at
last made the rivers sufficiently high
for driving and the various operators
have large crews of men on the drives.
Lumber is coming into the big booms
at a lively rate and it is expected the
river will be cleaned up in a week or
so if the water keeps up. This means
much to our lumber interests.
