"Phat does this Sassenachs mane by  
increasin' the gravity of beer?" asked an  
Irishman. "It's not more gravity we  
want; it's more joy. Sure, you can drink  
this two per cent. stuff wid all the grav-  
ity of a funeral and wake up next morn-  
in feelin' as if you'd traded places wid  
the corpse."

THE amount of home work given  
school children has been reduced in  
many schools throughout the province.  
Complaints have been made that the  
health of children is threatened by the  
pressure to which they have been sub-  
jected in an endeavor to make up the  
time lost during the influenza epidemic.

THE editor is indebted to Mr. Albert  
Jones of Provo, Utah, for a copy of the  
addresses delivered in the Tabernacle at  
Salt Lake City, Sunday, Feb. 18th, on  
Commemoration of British Day. We  
have not yet had time to read these  
addresses carefully but from a glance  
notice that they give Britons all due  
praise for the part played by them in  
the big war.

OWING to poor health, Mr. Nicholas  
McNee, G. T. R. section foreman, has  
resigned his position after 28 years of  
faithful service. Mr. McNee's employees,  
wishing to show their appreciation and  
good will, gathered at the home of Mr. J.  
Wrinkle on Saturday evening last,  
March 1st, to do honor to Mr. McNee  
and present him with a handsome gold  
signet ring. The presentation was  
accompanied by a short address signed  
by J. Holt, J. Wrinkle, T. McCausland,  
J. Stanger and T. Adams, and stated that  
they had learned with deep regret that  
owing to ill health Mr. McNee had de-  
cided to resign his position as foreman  
of the Kingscourt section after 28 years  
with the Grand Trunk, and that they, his  
comrades, wished him to accept the ring  
as a slight token of their esteem, with  
the prayer that restored health might soon  
be his lot. Although completely taken  
unawares Mr. McNee made a suitable  
and feeling reply, thanking the donors  
for their expressions and tokens of good  
will. A dainty lunch was served and the  
balance of the evening pleasantly spent  
in music and social intercourse.

THE united services of the Methodist  
and Presbyterian Churches will be held  
next Sunday in the Methodist church,  
not in the Presbyterian church as  
announced last Sunday. The reason for  
the change is that it is found that the  
damage to the electric wiring of the  
church was very extensive. The Sunday  
Schools will also meet in the Methodist  
church.

THE Church Women's Guild of Trinity  
Church gave a farewell tea to Mrs. S. H.  
Mitchell in the basement of the church  
on Thursday afternoon of last week.  
Mrs. Mitchell has been treasurer of the  
Guild for many years and the ladies ten-  
dered her this tea as an appreciation of  
her active and painstaking work in the  
Guild. Mrs. Mitchell and family leave  
for Toronto in a few days where they  
will make their home in future.

THE terrific wind that accompanied  
the rain and electric storm on Friday  
evening cut some queer capers. Steve  
Morris' garage was blown over and his  
auto damaged, Hiram Moffatt had the roof  
of his barn blown off, Mrs. Whitehead's  
buggy was overturned, the occupants  
thrown out but not injured, are among  
the cases reported. In R. Higgins' bush  
a clean cut was made about three rods  
wide by lightning and wind.

IN THE House of Commons on Thurs-  
day, J. E. Armstrong, M. P. for East  
Lambton, introduced a bill to place ship-  
ping on Canadian inland waters under  
the jurisdiction of the railway commis-  
sion. At the present time, Mr. Armstrong  
said, these boats were allowed to charge  
rates they pleased and to call at any  
placed they liked. Canada had about  
three hundred and fifty million  
dollars on her water-ways, and by lack  
of control over shipping on her inland  
waterways was placed in a somewhat hu-  
miliating position. The bill was read a  
first time.

Lieut.-Col. Graham's lecture on "The

It has been since the talk of the town."

CLEMENCEAU, the Premier of France,  
is a physician, the son of a physician,  
the grandson of a physician, the great  
grandson of a physician, and so on for  
300 years. Every one of his direct  
ancestors in the male line for three  
centuries belonged to the medical pro-  
fession. And yet he refused to take the  
advise of his physicians and insisted on  
working when advised to stay in bed.  
His case must be one of the exceptions to  
the rule that "breeding tells," or perhaps  
Clem was not going to let the med. run  
up a big bill on him for such a small  
matter as a few bullet holes in his torso.

THE regular monthly meeting of the  
Tecumseh Chapter I.O.O.F., was held at  
the home of Miss E. Adams, March 4, at  
8 o'clock, with the Regent in the chair.  
18 members answered the roll. Owing  
to resignations for the 1st vice and secre-  
tary being handed in, Mrs. W. E. Fitz-  
gerald was appointed 1st Vice Regent  
and Mrs. W. J. Thompson secretary.  
Mrs. (Dr.) Niven was appointed the  
Chapter Councilor for the coming meet-  
ing of the National Chapter. A donation  
of \$20 is being sent to Mrs. Adams, To-  
ronto, for Salvation Army work. The  
Peace offering amounted to \$12.88.  
A farewell address to Mrs. S. H.  
Mitchell, who is leaving for Toronto,  
was read by Mrs. Fitzgerald and a  
bouquet of carnations presented to her  
by Miss Adams. Sincere regret at losing  
such a capable a member as Mrs.  
Mitchell was expressed along with best  
wishes for happiness in her new home.  
Luncheon was served and the singing of  
the National Anthem closed a very  
pleasant meeting.

15 boys were entertained by Mrs. A. G.  
Brown Monday evening in honor of  
Stanley Mitchell, who is leaving with  
his parents for Toronto to make his  
home in future. The amusement, a fox  
hunt, was one that touched the heart of  
each boy, and after their race a splendid  
supper was given, which was equally well  
enjoyed, after which Stanley was pre-  
sented with a nice prayer-book by his  
classmates. Most hearty claps were given  
for Mrs. Brown as the best hostess ever.

ROY G. WILSON V. S. Strathroy, who  
served his King and Country for nearly  
three years, spending most of the time at  
Saloniki, and Cairo, Egypt, having passed  
and inspected to his credit 38000 horses,  
left on Saturday to resume his practice  
in Humboldt, Sask., where he had been  
for four years before going overseas. He  
took with him a carload of nineteen  
horses, one of the best loads shipped from  
Strathroy for some time. One span of  
mares which tipped the scales at  
3400 lbs, was purchased from Warden  
John Currie, brother of Sir Arthur Currie,  
a well matched pair of horses weighing  
3000 lbs purchased from David Wilson  
Metcalf, a pair with some quality from  
Leon Marshall, Arkona, and a good one  
from David Hay, also a registered mare  
from Thomas Whiting, London Road.  
This load will be of great value to the  
people of the western country. His father  
Mr. H. Wilson, intends shipping another  
carload in the near future.

The social evening given by the Ladies  
of St. James' Church on Monday even-  
ing at the home of Mr. Dan Kelly was  
largely attended and a very pleasant  
evening was spent. A first class supper  
was served and a liberal offering was re-  
ceived.

It is reported that R. McIlmurry had  
an exciting experience on 12 sideroad  
during the storm Friday evening. With  
the wind blowing 70 miles an hour, the  
rain falling in torrents, the lightning  
flashing and the thunder rolling in deaf-  
ening peels, he stood on the buggy  
strap to drive while his boy put up the  
top. Several times the rig was lifted  
clear of the ground and carried several  
feet, and had it not been for his quick  
and daring action and the scientific  
manner in which he handled the situa-  
tion, buggy and occupants would surely  
have come to grief.

## TERRIFIC ELECTRICAL STORM

Presbyterian Church Spire Struck by  
Lightning

A terrific electrical storm accompanied  
by a hurricane and heavy rainfall passed  
over this section on Friday evening last  
between six and seven o'clock, doing  
considerable damage. The spire of the  
Presbyterian church was struck by light-  
ning and caught fire near the top, the  
roof damaged and plaster badly broken  
inside the building. The firemen were  
soon on the spot and after some difficulty  
got the hose inside the tower and from  
there soon had a stream of water on the  
blaze and extinguished it, but not before  
considerable damage was done. The  
damage is of such a character that it is  
difficult to assess the amount until repairs  
are commenced, but we are informed  
that it will cost from \$300 to \$500 to put  
the building in the condition it was before  
the fire. The loss is covered by insur-  
ance. The heavy downpour of rain con-  
tinued for about an hour and the storm  
having put out all the electric lights in  
that part of the town the workers were  
under considerable disadvantage in fight-  
ing the fire. The wind also ripped some  
shingles off the roof of the R. C. Church.  
The electric light and telephone systems  
in the northern section of the village,  
telephones and fuse boxes being burnt  
out and numerous lamps broken.

## Two More Soldiers Return Home

Two more local soldiers returned home  
from overseas this week. On Monday

Quartermaster Sergeant J. Cecil McCorm-  
ick, son of Mr. John McCormick,  
Kingscourt, and on Tuesday at 6.40 P.M.  
Pte. W. McCausland, of Watford, was  
wondered in the northern section of the village,  
telephones and fuse boxes being burnt  
out and numerous lamps broken.

high noon, at the residence of the bride's  
parents, Wall street, Watford, Miss Lil-  
ian, daughter of Mr. and Mrs. John V.
