to extreme weakness by fever and the efficis taking. Unquestionably such a work wou of his wound, as well as by his suffering on largely contribute to the avelfare of our Stat board the slave ship. In this condition, the especially the eastern portion. The time shock which he experienced on suddenly not far distant when the Province of New meeting the man whom he had so fearfully Brunswick and the State of Maine will injured was too much for him. He lingered bound together by a great railroad chain, a for a few months, and expired in the arms of Maine is already bound to Massachusetts; as

bis word, by making them as comfortable as. Among them we see the hames of Lds. Fitz-his means would admit. Pari of his treasur- william and Ashburton. The Agent writes ed store of money had been expended in buy- that he has everywhere received warm ening clothing for them, and furniture for the couragement, and that the English Governhis countenance for so long a time was dis-Brunswick Legislature in granting lands, pelled by the new feeling of forgiveness, privileges, pledges, &c, united with the zeal pelled by the new feeling of forgiveness, goodwill, and affection which occupied his fieart. He was courteous, cheerful; and earsely desirons of conversing on the do triacs of Christanity, a subject which before he had always shunned, as if aware how much its precepts were at variance with his vindicitive resolutions.

The governor was right in his anticipations.

The governor was right in his anticipations.

Anadee was marriell. This event however, did not take place till after the death of the old man, who had been already reduced for extreme weakness by fever and the effects.
