FRIENDS TELL HER SHE HOW WELL NOW LOOKS

"What Tanlac Did For My Wife is Nothing Less Than Astonishing" Declares Halifax Citizen.

"My wife suffered for ten years from stomach trouble but Tanlac has completely restored her health," said John Bonzang, 33 John St., Halifax, N.S. Mr. and Mrs. Bonzang have lived in Halifax thirty-five years and are widely known and highly respected.

"Mrs. Bonzang's main trouble was indigestion," he continued. "Her appetite was very poor and she could retain but very little she ate. What she did retain caused gas on her stomach so bad she could hardly breathe. Nearly every day she had dull headaches, was very nervous and would roll and toss for hours at night, getting hardly any sleep. In spite of constantly taking medicine she lost weight and kept getting worse."

"What Tanlac has done for her is astonishing. Her appetite is splendid, she has gained in weight and does her housework easily. Her friends are always speaking of how well she looks. We are both deeply grateful to Tanlac."

Tanlac is sold by all good druggists.

"OVERWEIGHT" BREAD

In England it is customary for the vendor, when a loaf of bread is asked for, to weigh out the bread and then make up the deficiency in the loaf by giving the customer a slice off a second loaf.

No need of this in the case of Butter-Nut, every loaf of which is made overweight to offset the result of evaporation. Thus you are assured of a full pound and a half loaf when you ask for.
