WHITBY v. TRINITY COLLEGE.

Next day Trinity journeyed to Whitby for another annual match which was dropped last season, and won after a close beginning by nine wickets. In the absence of the best two bowlers, the second bat, and the long stop, their places, by consent of the Whitby club, were filled by Messrs. E. Wright and Dickey of Toronto University, and Macdonell and Allan of Trinity College School, all of whom rendered good service. The home eleven, weakened by several departures, were not able to present their usual strength. Pelham played one of his old-time steady innings, though his customary visits to neighbouring fields were noticeably absent, and C. Snow, who is not much taller than his bat, showed remarkably good and promising form. The rest were unable to face the bowling on an exceedingly hard, though seemingly not dangerous wicket. Wright, aided by the wind bowled at a great pace; and very steadily, Macdonell also did good service, and the captain was quite unplayable in the second innings. The fielding was good all round. Campbell, while keeping wicket, left his post for a leg ball and "shied" a man out rather sharply; he also took a "hot one" at short leg in the second innings, when Jones ventured his life and limbs behind the stumps. Townley's batting in both innings was very good as was also that of Jones. The captain alone failed to score. Particular mention, in spite of the number of extras, should be made of Dickey's long-stopping. He had to face great difficulties, and acquitted himself most creditably. Whitby's fielding was good, and Palmer bowled steadily. Trinity has now, out of 6 matches, won 3, lost 2, and drawn 1 in her favour. Score:

UPPER CANADA COLLEGE v. NELSON.

This match, which was to have been played on Wednesday last between the above clubs, but postponed on account of wet weather, took place on Thursday afternoon. It was the first appearance of the College eleven this season, and they opened the campaign very auspiciously, defeating their opponents by 43 runs. The Nelsons who went first to the bat, were quickly disposed of by Coldham and Montgomery. The latter is the third of his family, who has bowled for the College eleven, and promises to surpass his elder brothers even at his present early age. Coldham is certainly the best all round player on the eleven; he bowls well with his head; and his facility for run-getting makes up for his somewhat uncricket-like style. Score:

NELSON.
