Second Annual Concert of Court Berlin, No. 154.

COURT BERLIN, No. 154, I. O. F.

BERLIN, 24th March, 1890.

*Dr. Oronhyatekha, S.C.R.:*

DEAR SIR AND BROTHER,—I am requested to inform you that the second annual concert of the above Court was held Thursday evening, 26th February. It was our intention to invite the Supreme Court in a body, but owing to the fact that Brothers Millman and McGillivray were working nights in order to catch up with "grip" claims, and the Supreme Chief Ranger was busy distributing the "grip" (an excellent occupation), it was decided not to invite the Supreme Court until the great International Choral festival, next August. Brother N. F. Paterson, Q.C., H.C.R., was with us and delivered a splendid address on the aims and objects of Forestry, which was very attentively listened to by the large audience present, and as an advocate of our noble Order, Brother Paterson has no equal, *excepting* one.

From a monetary point of view our concert was a decided success. The committee with one exception worked like beavers, and our Chief Ranger, Brother G. O. Phillips, (late manager of the Estrella Opera Bouffe Co., and at present lessee of the magnificent opera house of this town) whose name is a household word throughout Western Canada, was chairman, thus adding 50 per cent. to the receipts. An interesting feature was a procession from the hall to the opera house, headed by our respected, genial, and energetic Brother Black, D.D., of Galt, and his Juvenile Foresters, a fine and intelligent lot
