

Ward, Nevada. At Tybo he could get no building to preach in but a gambling house, and in response to the Litany, instead of "Amen" an excited listener, with his pantaloons stuffed in his boots, cried "keno." At Ward a horse-race had been announced for the afternoon, but at the Bishop's earnest request the racing was postponed till the religious services were over. The whole congregation went from the church to the race-track as soon as the sermon was finished.

PRODIGIOUS.—At a Methodist festival in Truro lately a Wesleyan superintendent is reported actually to have stated that John Wesley held church doctrine and Apostolic Succession only when he was "a mere ecclesiastical boy," (which, seeing his great sermon on the sin of Korah was preached when he was past seventy, makes him a very old boy,) and also "that the Wesleyan Church itself of England and of the United States was the largest religious community in the world." Prodigious. What an opinion he must have had of the intelligence and education of his auditors.

At Christ Church, Ningpo, China, on Trinity Sunday, three native clergymen who have been in deacon's orders for more than a year, were admitted to the order of the priesthood by Bishop Russell. The sermon was preached by the Rev. F. F. Gough, the senior missionary. The Bishop was assisted by the Revs F. F. Gough, J. Bates, and J. R. Wolfe. Two of the three pastors are for the city of Ningpo, and one is to take charge of the Church at Z-kyi.
