When buying Stokers, buy **STOKERS**, and not law-suits, as some companies have done in purchasing infringing devices.

Being the Absolute Owners of the Patents covering the First and **Only Successful Underfeed Mechanical Stoker**, and the Sole Manufacturers of same in Canada, our solicitors have explicit instructions to take proceedings in the Exchequer Court of Canada against the **User** as well as against the Manufacturer and Importer, claiming damages and delivery up of the Infringing devices.

The Improved Jones' Underfeed Mechanical Stoker and Smokeless Furnace is at present installed in plants aggregating 25,000 h. p., each one having been sold on its Merits.

Send for our Book on "Smokeless Heat" if you wish to reduce your fuel bill.
