ADVICE TO MOTHERS.—Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once, it produces natural, quiet sleep by relieving the child from pain, and the little cherub afterwards is as bright as a button. It is very pleasant to the taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

A CURING RYER.—Children are often fretful and ill when worms are the cause. Dr. Low's Worm Syrup safely expels all Worms.
