## To the Friends of Temperance!

At the suggestion of many temperance workers, GRIP'S  
TELLING CARTOON,

"STOP THE DEATH FACTORIES!"  
has been published in the form of a fly-sheet, for distribution  
in localities in which Temperance or Prohibition work may  
be carried on.

It is believed that this sheet will prove a most effective  
agent in the spread of the Prohibition sentiment, vividly  
pourtraying, as it does, the terrible results of the traffic in  
rum.

It would be distributed by means of the various temper-  
ance organizations, as well as by individual friends of the  
cause. To encourage this distribution, copies printed on  
good paper, and with suitable legends, are offered at the  
following low prices:

100 copies,	\$ 1.00.
500 "	3.00.
1,000 "	5.00.

Samples will be forwarded to all desiring to order.
