matriculants all were successful; of eight candidates for senior leaving, seven were successful, and of eight candidates for junior leaving seven were successful, and the eighth will, without doubt, receive his certificate, his name not appearing because of an error in the report. Over ninety per cent. of the candidates have been successful. This is certainly a phenomenal report.

RECENT DEATHS.

Rev. John Hough, of the Hamilton Conference, was one of the veterans who did good service for the Master in the early days of Methodism. For thirty-seven years he toiled on hard fields, and was the means of turning many to right-eousness. The evening of his life was spent in Guelph, where he was revered as one of "the fathers in Israel." His family who survive him have a rich treasure in the remembrance of his holy life. He entered into rest July 18th, 1897.

Rev. James Greener, another of the fathers, who gave twenty-nine years to the itinerancy, when failure of sight compelled him to retire from the active work. For about twenty-five years he sustained a superannuated relation and resided in Lindsay. He was very useful and acceptable in many ways to the church. His beloved widow survives him.

Another of the fathers passed away in the person of Rev. John Woods. He was on the superannuated list and lived in retirement at Norwich, so that he was not extensively known beyond the circle of his relatives. He was a faithful servant of the Church, and sought to the best of his ability to perform the duties of the ministry in such a manner as to merit the approval of his brethren and the smile of God. He finished his course August 14th, 1897.

Rev. Wm. Shannon, another superannuated minister in Totonto Conference, was called to his reward suddenly in August, 1897. He was about to commence a cottage prayer-meeting at Sault Ste. Marie when the summons came for him to go up higher. Bro. Shannon was in the ministry more than forty years. He was one of the best read men in Methodist theology we ever knew. It was the writer's privilege to know him intimately, and he can testify to his deep piety.

As these notes were passing though the press news reaches us of the death of the Rev. James Kines, Bay of Quinte Conference. He entered the ministry in 1863. Was president of the Montreal Conference, and pastor of some important circuits. Sherbrooke (Quebec) enjoyed his labours two terms. For some years his health had been declining, and he went to Clifton Springs hoping to recuperate, but instead he was summoned to where the inhabitants never get sick.
