All the leading medical men in Toronto and Montreal are using Hydroleine with success; I would refer to some of them: viz:

I publish one of the numerous testimonials I have received relative to the merits of Hydroleine, showing the opinion held by medical men:—

Mr. Hazen Morse:

32 BEAVER HALL, MONTREAL, 25th May, 1880.

Dear Sir—My experience with Hydroleine has been more than satisfactory, and I know no remedy like it in cases of a scrofulous or tubercular diatheses. In some of my cases the effect of the remedy has been really marvellous. I am, dear sir, Yours truly, E. H. TRENHOLME M.D.

The following statements show the value of Hydroleine more conclusively than anything else could possibly do, as the sale in each instance has been created without a dollar's advertising and entirely through Physicians:—

MESSRS. JOHN LEWIS & Co., Victoria Square, Montreal, sold ten dozen bottles Hydroleine in one month at the beginning of the introduction of the Hydroleine.

MR. HENRY R. GRAY, St. Lawrence Main street, Montreal, sold six dozen bottles Hydroleine in the same period (one month).

MR. WM. S. ROBINSON, 35 Yonge St., Yorkville, Ont., under date of July 21, 1880, writes as follows:

Hazen Morse, Esq:

Sir—Since the introduction of Hydroleine into this locality I have sold over three dozen bottles, and find that it gives every satisfaction; it is an excellent preparation and I have no doubt of it becoming very popular. I am, yours respectfully, WM. S. ROBINSON.
