MISSIONARY INTELLIGENCE.

CALCUTTA ORPHANAGE.

Another very interesting letter has been received from our kind friend Miss Hebron, dated Calcutta, 22nd July. In this letter were enclosed pleasing reports on Hannah Tooney and Margaret Machar, for the Kingston school, and Mary Hamilton for the school in the city after which this last girl has been named. Ruth Iona has been married, and of course has taken up her abode in a new home, where we trust she will carry into practice the good instruction received while in the orphanage. The Portsmouth Sabbath School will long remember with affection their friend Ruth, and hope to hear from time to time of her welfare. It is not yet decided which orphan will be taken by the Portsmouth school in place of Ruth.

Miss Hebron says that the season has been very unhealthy. During the summer, intense heat prevailed which was succeeded by rain. Canadian children would be astonished by this last, which, during certain seasons, falls for weeks at a time. Miss Hebron thinks they would feel afraid that a second deluge had commenced. At the Orphanage the "compound" or ground round the house was like a small lake, and in the lower story of the building the Orphans' bathing tubs, were floated away.
