The Eagle Steam Washer

IS THE BEST WASHING MACHINE ON EARTH.

No Machine is Complete Without the Eagle STEAM WARMER.

Thomas Frain & Co.—Dear Sir,—The machine I bought of you last July has given every satisfaction, and does all that you alleged that it would. The same amount of clothes for the washing of which we paid you to do can be done easily by my daughter, and where the washerwoman took from 8 a.m. to 4 p.m., now, with the machine, my daughter commences after the children leave for school in the morning, and as they return to dinner the clothes are on the line and the machine set aside. In the invention of the Eagle Steam Washer you have conferred a boon on the domestic circle, and its use will be universal as soon as its merits are appreciated. Dear Sir, yours truly, Rev. J. Kemmer, July, January 15th, 1888.
