In returning thanks to our many customers for their abundant patronage during the past year, we venture to hope for a continuance and even an increase of their favors during the next.

We claim for our Foundry a rank among the type manufacturers of the world, equal to that of the best. Our facilities enable us to fill orders of any extent or amount. Our workmen are skilled in their several branches; our machinery is of the latest and most improved description: our matrices are entirely new; and the type we produce is unequalled for beauty and finish, and of a **QUALITY** which we guarantee to be unrivaled.

We are agents for the most celebrated Power and Job Presses (English & American); for the best Ink Manufacturers; and for the leading American Type Foundries.

Our usual terms have been four months; but, in order to encourage a ready cash system, we have decided to allow a discount of **TEN** per cent. of New Type, and **FIVE** per cent. of Job Type and Sundries, on all accounts settled monthly. We indulge in the hope that a large and constantly increasing number of Printers will be glad to avail themselves of this liberal discount. Special terms for new outfitts and large orders.
