BARNEY & BERRY'S
CHAMPION SKATE OF AMERICA.
 "American Rink" and "New York Club."
 The Skates manufactured by us under our Patents of April 7 and May 12, will be known as the AMER-
 ICAN RINK SKATES, which term we have adopted as a distinctive TRADE-MARK to designate that class of
 our goods. By confining our entire works wholly to the manufacture of one Skate and nothing else, and
 having our stock rolled to gauge from the finest cast steel at the best English steel works, and by large ex-
 penditure in perfecting our special machines for every branch of the work, we have succeeded in bringing
 our Skates to a uniform standard of excellence in design, workmanship, and material, which has made them
 the leading Skate in the market for the past four years, and the favourite of the most noted Skaters, as well
 as the general skating public, wherever introduced.
