**REAL ESTATE FOR SALE**

Lot of 100 acres in Ditchfield, near Lake Megantic, with block house, 20 x 24, and frame barn 26 x 40, about 18 acres cleared. Young orchard of 40 trees. The C.P.R. passes through the lot. Price \$600. A portion of the price can remain on Mortgage.

About 22 acres of land in a good state of cultivation, situated in the North Ward, Sherbrooke, with house, barn and out buildings, one of the best sites in the city for a market gardener. Terms easy. Title indisputable.

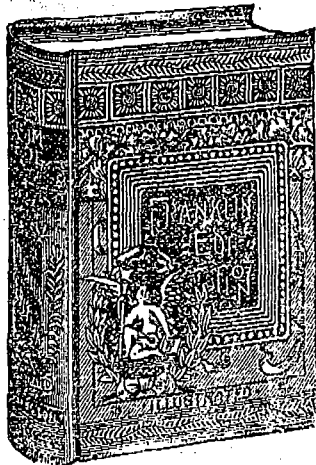

About 10 acres of land known as the "Mason Place" situated near the village of Marbleton, Que., with neat cottage and out buildings and a nice park like sugar place. Excellent fishing in the vicinity. Two miles from Quebec Central Railway. A delightful summer residence. Will be sold cheap and on easy terms.

A farm of about 127 acres in the Township of Orford, fronting on the Magog River, with a gentle slope towards the East and South, with a two storey house, containing first class, dairy accommodation in the basement, and barns and other outbuildings. A first-class water power adjoins the farm, available for any description of manufactures. A station of the Canadian Pacific Railway, a post office store and blacksmiths' shop are situated within the boundaries of the farm, while in addition to railway communication, the main road between Sherbrooke and Magog passes through it. Distance from Sherbrooke seven miles. About 50 acres are cleared and cultivated, and enclosed with wire fencing. The best trout fishing on the Magog River adjoins the property, which is within three miles of Little Magog Lake. Some of the best shooting and fishing in this part of the Townships can be found within an hours drive of the property. \$1,500 of the purchase money can remain on mortgage on the property, extending over a period of nine years, payable by instalments with six per cent interest. There is an increasing demand for building lots at this point, and it is destined to become within a short time an important manufacturing centre, and the base of railway supplies for the adjoining country. For further information respecting this or any other real estate advertised in our columns, address (with stamp) the publisher of this Journal.

About 180 acres of land situated within one mile of the Boston and Maine Railway, and within three miles of the North Hatley Railway Station. The buildings consist of a one and a half story house, with shed attached, two barns 34x54 and 30x30. Granary and store room, etc., all in good repair. About 130 acres cleared and in cultivation, the rest in wood, part of which consists of an excellent sugary of 1,500 trees. This property commands the finest view of Massawippi Lake, from which it is about a mile distant, and the landscape is one of the most magnificent to be found in the Eastern Townships. This lake teems with a greater variety of game fish than can be found in any lake of the size in the province of Quebec, and except the close season for certain varieties, there is good fishing summer and winter. While affording great advantages

to the agriculturist, no more attractive site in Canada can be found for a gentleman's grounds and residence. Title perfect. Price \$4,600, one half of which can remain on mortgage of the property at six per cent interest.
