PARRISH'S

Chemical Food.

IN calling the attention of the public to the use of this preparation, as recommended for Nervousness, Dyspepsia, Mental and Physical Weakness, Rickets, Consumption, Cough, &c. We would say that

Parrish's Chemical Food

As made by our W. H. SIMSON is NOT A PATENT or SECRET Medicine, the formula being well known. It contains PHOSPHORUS, LIME, IRON, POTASH and SODA made into a palatable Syrup, and easily assimilated by the digestive organs. Much of the so-called Parrish's Food being made by unskilled persons is PERFECTLY WORTHLESS. W. H. Simson, who was a pupil of the late Prof. Parrish, has made a specialty of its manufacture, and guarantees all of his make to be equal to the original. Please see that the signature "W. H. SIMSON" is on the label, without which none is genuine. This Food is specially adapted for

Weak Children and Females

and all persons suffering from Weakness, Nervousness, &c., caused by Overwork Nursing or Sickness.
