

## PARAGRAPHIC.

## NATURE HAS PROVIDED

A remedy for every ache and pain, and science through ceaseless activity and experiment is constantly wresting the secrets of her domain. A new and wonderful discovery has recently been made by means of which tens of thousands will be freed from pain. Nerviline, or nerve pain cure, represents in very concentrated form the most potent pain relieving substitutes known to medical science, and strange to say, it is composed of substances solely vegetable in origin. Polson's Nerviline is the most prompt, certain, and pleasant pain remedy in the world. Sold in 10 and 25c bottles by all dealers in medicines.

A Boonville school-teacher had a great deal of trouble making a boy understand his lesson. Finally however, he succeeded, and drawing a long breath, remarked: "If it wasn't for me you would be the biggest donkey in Boonville."

A life saved for thirty-five cents: A lady in Boston had Diphtheria and was almost dead from strangulation, but was instantly relieved and finally cured by *Johnson's Anodyne Liniment*. Every family should have a bottle ready for instant use.

When a couple make up their mind to get married it may be called a tie vote.

## CONSUMPTION CAN BE CURED

By proper healthful exercise, and the judicious use of Scott's Emulsion of Cod Liver Oil and Hypophosphites, which contains the healing and strength-giving virtues of these two valuable specifics in their fullest form. Dr. D. D. McDonald, Petitcodiac, N.B., says: "I have been prescribing Scott's Emulsion with good results. It is especially useful in persons with consumptive tendencies." Put up in 90c and \$1 size.

Little Charlie heard some one say that the minister's salary was \$800, and the parsonage. He afterwards told a gentleman that their minister got \$800 and parsnips.

Profitable investment. One dollar's worth of *Sheridan's Cavalry Condition Powders* fed to a coop of thirty hens will yield a profit of three dollars, besides preventing all manner of diseases. Be sure to get Sheridan's. The large packs are worthless.

A Paragrapper was put on the markets the other day, but when he headed a fall in India rubber "gum drops," he was restored to his former position.

HOLD THE FORT.—Minard's Liniment, Minard's Family Pills, Minard's Honey Balsam and Nelson's Cherokee Vermifuge have not only held the fort over all other preparations of a similar nature but have increased in their sales over 300 per cent., and in their cures several hundred per cent. during the past year.

What Mr. Beyer says: "Please accept my

best thanks for the splendid seeds received from your firm.  
It would be a rather lengthy list if I should name all, but  
will say that among 3 (first, and 3 second premiums  
awarded me at our fairs in Northern Indiana and  
Southern Michigan, 25 first premiums were for vege-  
tables raised from your seeds. What firm can beat  
this?"
