A Superb Rose

"THE DINSMORE"

Should be in every garden that it is not already adorning. It is entirely hardy, enduring our severest winters, of large size, perfect form, deep crimson in color, deliciously fragrant, and blooms continuously during the whole season, so that roses can be gathered from it almost every day from June to October. Remember, it is ever-blooming, hardy as an oak, with the rich crimson color and delicious fragrance of Gen. Jacqueminot.

Price, 25 cents each; five for \$1.00; twelve for \$2.00; free by mail.

With every order for a single plant or more, will be sent, gratis, our superb catalogue of "Everything for the Garden" (the price of which is 25 cents), together with our new "Essay on Garden Culture of the Rose," on condition that you will say in what paper you saw this advertisement. Club orders for FIVE or TWELVE plants can have the catalogue sent, when desired, to the separate address of each member comprising the Club, provided always that the paper is named.
