

We'll write it down till everybody sees it  
Till everybody is sick of seeing it

Till everybody knows it without seeing it—that Dr. Sage's Catarrh Remedy cures the worst cases of chronic catarrh in the head, catarrhal headache, and "cold in the head."

In perfect faith, its makers, the World's Dispensary Medical Association of Buffalo, N. Y., offers to pay \$500 to any one suffering from chronic catarrh in the head whom they cannot cure.

Now if the conditions were reversed—if they asked you to pay \$500 for a positive cure you might hesitate. Here are reputable men, with years of honorable dealing; thousands of dollars and a great name back of them and they say—"We can cure you because we've cured thousands like you—if we can't we'll pay you \$500 for the knowledge that there's one whom we can't cure."

They believe in themselves. Isn't it worth a trial? Isn't any trial preferable to catarrh?

**Dr. DANELSON'S COUNSELOR WITH RECIPES.**

A TRUSTY GUIDE FOR THE FAMILY.

An illustrated book of nearly 800 pages, treating Physiology, Hygiene, Marriage, Medical Practice, etc. Describes the best Washes, and ailments, and giving plain prescriptions for their cure, with proper directions for home treatment.

The RECIPES are endorsed by eminent physicians and the medical press. Remedies are always given in a pleasant form, and the reasons for their use. It describes the best Washes, Liniments, Salves, Plasters, Infusions, Pills, Injections, Sprays, Syrups, Tonics, etc. These are valuable to the physician and nurse, making it a manual for reference.

The chapter upon POISONS is exhaustive, and every poison appears in the index, so that the antidote can be readily and, if need be, hurriedly found.

45 pages upon MARRIAGE treat the subject historically, philosophically and physiologically. It should be read by everybody.

67 pages upon HYGIENE, or the Preservation of Health; a chapter of inestimable value. "Everybody wishes to be healthy, and everybody, when they think of it at any rate, wishes to avoid such things as might bring disease and suffering."

40 pages are devoted to PHYSIOLOGY, giving an accurate and extensive description of the wonderful and mysterious working of the machinery within ourselves, correcting many popular errors, and marking vividly the stumbling blocks where most people, innocently or carelessly, begin to lose health. Truths are stated which to many will be surprising.

500 pages which follow present MEDICAL TREATMENT with Sensible and Scientific Methods of Cure.
