

3. In particular, the Executive Council shall:

(a) supervise and co-ordinate the activities of the Technical Secretariat and the other subsidiary organs, especially the implementation of the annual programme and budget,

(b) propose to the Conference, as appropriate, the establishment of such subsidiary organs as it finds necessary for the exercise of the functions of the Organization,

(c) submit to the Conference for approval the proposed annual report and the annual programme and budget of the Organization,

(d) make recommendations to the Conference concerning any question or matter within the competence of the Organization,

(e) enter into agreements with the United Nations or other international organizations on behalf of the Organization, subject to approval by the Conference,

(f) approve agreements, concluded by the Director of the Technical Secretariat with States Parties, relating to verification activities,

(g) request a special meeting of the Conference,

(h) obtain, keep and disseminate under established procedures information, submitted by States Parties, pertaining to the Convention,

(i) consider reports on on-site inspections, submitted by the Director of the Technical Secretariat,

(j) receive requests for information and clarification regarding compliance with the Convention, including requests for fact-finding, and decide and oversee specific actions to be taken upon such requests,

(k) ...
