

## DOTHAN AIRPORT

### AIRPORT ASSESSMENT

Passenger enplanements for the calendar year 1991 were 62,835.

The Dothan Airport expressed an interest in:

- 1) Equipment and machinery for runway and grounds maintenance, specifically a vacuum sweeper for ramp areas and taxiways.
- 2) Security, specifically Aircraft Rescue and Fire Fighting equipment - such as the hydraulic tool "jaws of life."
- 3) Hangar facility construction and design firms. The Dothan Airport is currently building an industrial park adjacent to the airport. Tenants for the park will need facilities designed and built. The project's infrastructure is under construction. This includes roads, sewer lines, water and all other relative utilities.

Long term plans call for renovating the main terminal.

### AIRPORT AUTHORITY

Dothan Houston County Airport Authority, Inc.

Address: Route 6, Box 207  
Dothan, Alabama 36303  
Phone: 205-983-3594
