

Department of Human Resources and Skills Development (HRSD)

The Department of Human Resources and Skills Development (HRSD) is responsible for providing all Canadians with the tools they need to thrive and prosper in the workplace and community. We support human capital development, labour market development and are dedicated to establishing a culture of lifelong learning for Canadians. Among our clients are employees, employers, individuals receiving Employment Insurance benefits, students and those who need focused support to participate in the workplace. HRSD provides federal-level management of labour and homelessness issues, and supports students through the Canada Student Loans Program.
