

LEGATION OF THE
DOMINION OF CANADA
WASHINGTON

May 9th, 1927.

My dear Colonel Bovey:-

I have received your letter of May 6th, with its enclosures.

Let me thank you for your very kind reference to my nomination here. I am sure I do not entirely deserve all that is implied in the terms of your congratulations. I am, however, very happy, and like the job immensely.

I am trying to obtain some information relating to the correspondence which you have received from the Federated Nations of the World, and you will hear from me again, before long.

Yours faithfully,

Laurent Beaudry

Colonel Wilfrid Bovey,
McGill University,
MONTREAL, Canada.
