

MANNING ARCADE,

C. S. MACINNES, K.C.

TORONTO. 16th December, 1926.

General Sir Arthur Currie, G.C.M.G., K.C.B.,
Principal and Vice-Chancellor,
McGill University,
Montreal, P.Q.

Dear Sir Arthur Currie:

May I add my personal plea to the formal invitation which you have, or will receive from Trinity College to take part in the celebration of the 75th Anniversary of the University of Trinity College, to be held at Toronto between Saturday, January 15th, and Monday, January 17th.

If you can find it possible to be with us it will be a real assistance at a time, not only of the Anniversary itself, and the Installation of the new Provost, but also the launching of an appeal for assistance to enable Trinity to carry out her further opportunity as one of the Federated Arts Colleges of Toronto University, which has now removed its buildings to Queen's Park.

Trinity, as you know, is a Residential Arts College along much the same lines as Lennoxville, and is expected by reason of its smaller numbers and residential to produce the best results from a College education, with full access to and benefit of the advantages of the University as a whole.

Our appeal is largely due to the fact that the price for which the old buildings were sold just before the war has not enabled us to carry out the building programme, which should have been possible, but for the changed conditions, and to the fact that it is essential that adequate salaries, based on modern prices, should be available for such an Academic staff as will do justice to the situation and its opportunities.

With kind regards,

Believe me,

Yours faithfully,

Charles MacInnes
