London W.C.1, England.

Dear Sir:-

In reply to your letter of the
23rd ult., I regret to say that I cannot be of
any assistance to the Principal of University
College, Southampton, in finding a candidate
for the vacant Chair of English Language and
Literature in that institution.

The scarcity of suitable
teachers in Canada is very pronounced and all
Universities are finding it difficult to keep
their staffs up to the required standard.

Yours faithfully,

Principal.
