

MAYNARD & NOYES'S BLACK WRITING INK.

The manufacture of this Ink was established in 1816, and the quality has now been tested by the public for *thirty-nine years*. During this time it has been constantly increasing in public favor and patronage, and is now the leading article in the country. Those who may be ignorant of its superiority and reputation are invited to read the following testimonials, and to make trial of it themselves. When the best judges, after using it twenty and more years, express themselves in one manner concerning its superior excellence, it is quite evident that no one need be troubled with *bad ink*.

Office of Merchants' Ins. Co., Boston, Nov. 18, 1848.

MESSRS. MAYNARD & NOYES,

I have used your Writing Ink for the last sixteen years. In 1840, I gave you a certificate of its excellence, and having continued its use ever since, to my entire satisfaction my opinion is confirmed in its superiority. *It flows freely from the pen, and is in all respects the best Ink I have ever used.* The other officers in the institution agree with me in the opinion here expressed.

GEORGE HOMER, Sec.

Boston, Jan. 10, 1848.

MESSRS. MAYNARD & NOYES,

Gentlemen: It is now, I believe, more than twenty years since the School Committee passed an order for using your Black Writing Ink in the City Schools. I have used it during that period, and deem it a *first rate article*, and cheerfully recommend it to others. *It flows freely from the pen, and increases in blackness after being committed to paper, and the color is durable.* I know of no ink equal to yours, and I have tried many kinds, both English and American.

P. MACKINTOSH, Jr., Prin. of Writ. Dep., Hancock School.

We have made use of it generally for the last twenty years, and have found it always of satisfactory quality, being free from those objectionable points so troublesome and common in writing liquids generally. Wishing for it a still more extended sale, we are, gentlemen,
