

Should any of the persons so sent out become insane or blind, in addition to the above estimate, for all such a charge to be made :

Idiots or Insane, 4*d* a day,

Blind 3*d* a day,

Clothing and attendance being included.

*View of five year's drainage of the Poor from the parent State*

First year, 1000 persons removed to depot,		1000
Admit that one third depart from it, although one		
half might more correctly be calculated,		333
		<hr/>
	Remains	677
Second year, 1000 sent		1000
		<hr/>
		1667
Second year, one third depart,		555
		<hr/>
	Remains	1112
Third year, 1000 sent,		1000
		<hr/>
		2112
Third year, one third depart,		704
		<hr/>
	Remains	1408
Fourth year, 1000 sent		1000
		<hr/>
		2408
Fourth year, one third depart		800
		<hr/>
	Remains	1608
Fifth year, 1000 sent		1000
		<hr/>
		2608
Fifth year, one third depart		886
		<hr/>
	Remains	1722
