

DEPRESSION LIFTS ON WALL STREET

Diminution of Offerings—
Better Demand for City
and State Issues.

NEW YORK, Oct. 14.—Wall street today recovered in a measure from the depression caused by the recent news from abroad. The committee which supervises the sales of unlisted bonds and stocks reported a diminution of offerings and a better demand for the new city notes and state issues. On the other hand, prices in the unorganized market, which trades in listed stocks, manifested a sagging tendency.

A semblance of former activity in the district was imparted by the re-opening of the curb market, with dealers immediately in some of the low-priced specialties. These included the shares of several industrial companies whose business has been benefited by the war.

Foreign exchange took on a more definite basis in consequence of the formal organization of the \$100,000,000 gold pool. Rates for cables and sight drafts were fractionally higher, but the supply of bills on London was small, today's market, Liverpool having depleted the market, temporarily, at least.

More Gold for Ottawa.
Further small shipments of gold for Ottawa were announced and the movement to that point is expected to assume larger proportions within the next few days, by which time the gold pool probably will have received the 25 per cent subscription asked for. Large exports now under way are also likely to exercise a favorable influence on foreign exchange.

Sales of copper at a shade under recent low record prices were made and consumption of the metal now is estimated at about 60 per cent, of normal. Incidentally this condition served to call attention to the meeting tomorrow of the Amalgamated Copper directors.

Unlabeledness continues to be the chief feature of the steel trade, with the drift towards a lower scale of operations and weakening of prices. Continued disposition of the railroads to buy new material and enforced retrenchment in other quarters are among the most adverse factors.

Almost the only development in the local money market was the new low figure of 3 per cent, for mercantile paper. Until today only the highest class of these documents was accepted at that figure, but with continued ease and increased supply of cash banks are buying more freely.

There was virtually no market for time loans, due almost entirely to the lack of borrowers.

OVERSEAS DEMAND IN WHEAT BETTER

Higher Prices Offered for Export on Montreal Market
—Trade Light.

Canadian Press Despatch.
MONTREAL, Oct. 14.—There was a fairly good demand from overseas buyers for Manitoba spring wheat at an advance in price of 30 to 40 per cent, but owing to the further rise of 1 1/2c to 1 3/4c per bushel in the Winnipeg market exporters claimed that the bid were all out of line.

In sympathy with another advance in price for oats in Winnipeg of 3/4c to 1 1/4c per bushel the local market was much stronger today and prices were marked up 1c to 1 1/2c, but the demand for both local and country buyers continues quiet and the volume of business passing is small. Ontario and Quebec No. 2 white are selling at 50c and No. 3 at 52c ex store. There was no improvement in the demand for flour, and the market is quiet with a firm undertone.

The demand for millfeed is steady. A fair amount of business is passing in butter and cheese at firm prices. Eggs were fairly active. Dressed hogs declined 25c.

LATEST REPORTS ON THE APPLE OUTLOOK

Canadian Press Despatch.
OTTAWA, Oct. 14.—The following reports have been received by the fruit branch, department of agriculture, by telegram and cable today:

London, England.—Gravensteins and Ribston, Nos. 1 and 2 selling at 9s to 12s; Blenheim 11s to 14s; No. 3 average 8s. Poor demand and bulk will probably make lower prices.

Regina.—Trade brisk with good supply. Nine cars of British Columbia apples selling at \$1.25 to \$1.50 per box. Two cars from Ontario selling at \$4 per barrel for No. 1. Four cars grapes sold at 23c per basket.

Edmonton.—Seventeen cars on the market, mostly British Columbia fruit. Demand poor. Boxed apples selling at \$1 to \$1.40 wholesale. Market flooded with No. 3 apples.

CHEESE MARKETS.
MADRID, Oct. 14.—On the Madrid Cheese Board today, 825 boxes of cheese were boarded, and all were sold at 15-16c.

WOODSTOCK, Ont., Oct. 14.—On the cheese board, 1605 boxes of colored cheese were offered, with the highest bid 15c. No sales were made.

Chicago & Northwestern Railway Entertained the Canadian Ticket Agents in Chicago.

As a farewell feature of the reception tendered to the members of the Canadian Ticket Agents' Association and their wives who attended their convention Oct. 6, 7 and 8, the Chicago & Northwestern Railway entertained them at a luncheon in the dining room of their new Chicago passenger terminal, Oct. 8.

The dining room was neatly decorated, and in deference to the nativity of the visitors sprays of maple leaves (the emblem of Canada) adorned each table, and appropriate souvenir menu cards, prepared especially for the occasion, were distributed.

A personally escorted tour of the passenger terminal after the luncheon was made, which the party enjoyed very much.

LIST OF PRISONERS SENT TO GERMANY
Official British Statement Disposes of Another of Enemy's Fabrications.
Canadian Press Despatch.
LONDON, Oct. 14, 4:15 p.m.—Thru the official war information bureau, the British Government has issued a statement denying the German assertion, published abroad, that although Germany, since the beginning of the war, has furnished the belligerent governments twice weekly with a full list of all their wounded and prisoners, no new names have been received by Germany concerning the German wounded and prisoners.

The foreign office states that it opened negotiations on August 25, thru the American ambassador, with a view to exchanging information regarding prisoners of war. On receipt of the German reply, September 16, Great Britain sent the first list of German prisoners on September 21. The first list supplied by the German Government of British prisoners reached the foreign office on October 3. No list of prisoners was received from the German Government prior to that date, the foreign office declared.

ONE AEROPLANE EQUAL TO CAVALRY DIVISION
Aerial Scouts Are of Greatest Value in Preventing Surprises.
Canadian Press Despatch.
PARIS, Oct. 14.—The activity of German aeroplanes over Paris has brought up a general discussion of the value of these machines in warfare, and a recital of thrilling aerial duels between French and German machines. One French corps commander is quoted as having said that, in his opinion, a single aeroplane was as valuable as a division of cavalry. Aeroplanes are of the greatest service in preventing surprises, and few important movements of troops have been made which have not been promptly reported by aerial scouts before their completion.
