

TABLE

OF REFERENCE TO CASES NOTED AND REPORTED IN THIS VOLUME WHICH ILLUSTRATE

THE

PRACTICE UNDER THE ONTARIO JUDICATURE ACT.

This table furnishes an easy means of reference to the English and Canadian cases bearing on the present practice of our Courts, which have been noted and reported in the "Notes of Cases" and "English Practice Cases" in the LAW JOURNAL in this volume. The first column indicates the number of the section or rule which is illustrated by a particular case (the rules being designated throughout by their marginal numbers), and the second column indicates the page in which the case in question is to be found.
