Third Edition, in 8vo, price 20s., cloth,

A TREATISE UPON

THE LAW OF EXTRADITION, WITH THE CONVENTIONS UPON THE SUBJECT EXISTING BETWEEN ENGLAND AND FOREIGN NATIONS, AND THE CASES DECIDED THEREON.

By SIR EDWARD CLARKE,

OF LINCOLN'S INN, S.-G., Q.C., M.P.

"Mr. Clarke's accurate and sensible book is the best authority to which the English reader can turn upon the subject of Extradition."—*Saturday Review*.

"The opinion we expressed of the merits of this work when it first appeared has been fully justified by the reputation it has gained. It is seldom we come across a book possessing so much interest to the general reader and at the same time furnishing so useful a guide to the lawyer."—*Solicitors' Journal*.

"The appearance of a second edition of this treatise does not surprise us. It is a useful book, well arranged and well written. A student who

wants to learn the principles and practice of the law of extradition will be greatly helped by Mr. Clarke. Lawyers who have extradition business will find this volume an excellent book of reference. Magistrates who have to administer the extradition law will be greatly assisted by a careful perusal of 'Clarke upon Extradition.' This may be called a warm commendation, but those who have read the book will not say it is unmerited."—*Law Journal*.

THE TIMES of September 7, 1874, in a long article upon "Extradition Treaties," makes considerable use of this work and writes of it as "Mr. Clarke's useful Work on Extradition."

In 8vo, price 2s. 6d., cloth,

TABLES OF STAMP DUTIES FROM 1815 TO 1878.

By WALTER ARTHUR COPINGER,

OF THE MIDDLE TEMPLE, ESQUIRE, BARRISTER-AT-LAW; AUTHOR OF "THE LAW OF COPYRIGHT IN WORKS OF LITERATURE AND ART," "INDEX TO PRECEDENTS IN CONVEYANCING," "TITLE DEEDS," &c.

"We think this little book ought to find its way into a good many chambers and offices."—*Solicitors' Journal*.

"This book, or at least one containing the same amount of valuable and well-arranged information, should find a place in every Solicitor's office. It is of especial value when examining the abstract of a

large number of old title-deeds."—*Law Times*.

His *Tables of Stamp Duties, from 1815 to 1878*, have already been tested in Chambers, and being now published, will materially lighten the labours of the profession in a tedious department, yet one requiring great care."—*Law Magazine and Review*.

In one volume, 8vo, price 14s., cloth,

TITLE DEEDS:

THEIR CUSTODY, INSPECTION, AND PRODUCTION, AT LAW, IN EQUITY, AND IN MATTERS OF CONVEYANCING,

Including Covenants for the Production of Deeds and Attested Copies; with an Appendix of Precedents, the Vendor and Purchaser Act, 1874, &c. &c. &c. By WALTER ARTHUR COPINGER, of the Middle Temple, Barrister-at-Law; Author of "The Law of Copyright" and "Index to Precedents in Conveyancing."

"The literary execution of the work is good enough to invite quotation, but the volume is not large, and we content ourselves with recommending it to the profession."—*Law Times*.

"A really good treatise on this subject must be essential to the lawyer; and this is what we have

here. Mr. Copinger has supplied a much-felt want, by the compilation of this volume. We have not space to go into the details of the book; it appears well arranged, clearly written, and fully elaborated. With these few remarks we recommend his volume to our readers."—*Law Journal*.

Third Edition, in 8vo, considerably enlarged, price 36s., cloth,

THE LAW OF COPYRIGHT

In Works of Literature and Art; including that of the Drama, Music, Engraving, Sculpture, Painting, Photography, and Ornamental and Useful Designs; together with International and Foreign Copyright, with the Statutes relating thereto, and References to the English and American Decisions. By WALTER ARTHUR COPINGER, of the Middle Temple, Barrister-at-Law.

"Mr. Copinger's book is very comprehensive, dealing with every branch of his subject, and even extending to copyright in foreign countries. So far as we have examined, we have found all the recent authorities noted up with scrupulous care, and there is an unusually good index. These are

merits which will, doubtless, lead to the placing of this edition on the shelves of the members of the profession whose business is concerned with copyright; and deservedly, for the book is one of considerable value."—*Solicitors' Journal*.
