To-night's Match Game.
Joe West was at the Atheneum Club
last night, trying out the
alleys in preparation for the big match
game to-night with himself and his
rescuer, Bob Stewart, against Eddie
Sutherland and Bill Karrys. The match
between the pairs will be decided on to-
day, plus five games, and after the
doubles West, who won the championship
of the National Bowling Association tour-
nament last year, will take on
Eddie Sutherland, winner of the high
individual and all-round event at the
Canadian Bowling Association tourna-
ment last year. They will roll seven
games, total pins to decide the winner.
The matches are scheduled to start at 8
o'clock sharp, with two foul line judges,
one representing each side. The bow-
lers are shooting for a stake of \$50 a
game each.

To-day at 1.30 there will be a great
walking test to start from R. B.
Haley & Co.'s offices, Temple Building,
corner of Richmond and Bay-sts., to
Walmer Hill, a little over three miles
for many valuable cash prizes. Contest
is open to everybody over 16 years of
age, excepting professionals.
There is great interest being taken
in this event, and many entries are al-
ready assured.

YORK COUNTY BRIEFS.

King Township Council meets at
Schomberg to-day.
Newmarket Athletes are just about
completing the big alterations and im-
provements to their church.
George Driver, aged 83, formerly of
Sharon, died during the week in the
Industrial Home.
Newmarket Methodists and Presby-
terians shipped a car of waste paper
to Toronto this week, the proceeds to
go to mission work.
York County farmers were never bet-
ter advanced with their fall plowing.
The price for ordinary farm horses
keeps up remarkably well in spite of
the fact that plowing is well over and
feed scarce and the market is not
Sugar beets yielded much more to
the acre than was thought likely early
in the fall. Turnips, too, are making
the first good growth of the season
now.
The Metropolitan expects to run a
special car from Oak Ridge to Evers-
ley to the King Plowing Match, on
Nov. 3.
York Township Council will all be
concerned with the King Plowing Match.
Councillor Jerry Nelson and probably
two or three others in the field.
In Scarborough it looks like a contest
for all the offices in the council.

EAST YORK PLOWMEN.

On Wednesday, Nov. 1, the annual
match of the East York Plowmen's As-
sociation takes place on the farm of
Alex Donaldson, a mile and a quarter
west of Milliken, on the line of G. T.
R. Parties from the city going out
during the afternoon will haul or
driving would do well to follow the
Danforth-avenue to the foot of the
Kennedy-road and then directly north
to the Scarborough and Markham town-
line and west a mile.
From the list of entries already re-
ceived by Frank West of Agincourt, the
secretary, it looks like a great match.
Fall plowing is pretty well advanced
and more time than formerly may not
be given to the work of practice.
Another feature which is tending to
popularize these matches is the fact
that the ladies of the East York Wo-
men's Institute are preparing to cater
to the wants of the hungry plowmen
and any other deserving refreshments.
Altogether they will come well fort-
ified to look after the wants of the in-
ner man.
Of course there is no admission and
everyone is cordially invited to attend
and see some really good plowing and
incidentally renew old acquaintances.

THANKSGIVING SERVICES AT SCARBORO.

Harvest Thanksgiving Services will
be held in Christ Church, Scarboro, to-
morrow at 3 p.m. and 7 p.m. The Ven.
Archdeacon Warren will preach in the
afternoon and the Rev. Dean Duck
will preach in the evening.

TORONTO MILK PRODUCERS.

Saturday's Meeting Ought to Be Pro-
ductive of Some Results.
A very important meeting of the To-
ronto Milk Producers' Association is
scheduled for this afternoon in the
Labor Temple, Church-street, at 1.30,
and one which ought to be well at-
tended. The situation, as between the
farmers and the retail men in the
city is not to say the least, satisfac-
tory. In fact, it is far from satisfac-
tory. And something will undoubtedly
be done to even up the apparent dis-
parity between the cost of production
and the price that the farmers are get-
ting. A rousing big meeting of all the
farmers and cream shippers within a
radius of 25 miles of the city, whether
there is any individual grievance or
not, would be a good thing. A heart-
y heart talk once in a while is a good
thing. Remember the meeting then in
the Labor Temple this afternoon at 1.30.

BROUGHAM.

Local Christian Church to Hold Anni-
versary Services.
BROUGHAM, Oct. 27.—(Special).—An-
niversary services will be held in the
Christian Church on Thanksgiving
Sunday, Oct. 29, at 11 a.m. and 7 p.m.
In the morning Rev. H. M. Haines of
Toronto will preach and in the evening
Rev. S. J. Tucker of Greenwood.
In the morning the music will be in
charge of the Brougham Choir and in
the evening the Locust Hill Methodist
Church Choir.

MIMICO.

MIMICO, Oct. 27.—(Special).—County
Constable George Simpson and Con-
stable Dwyer, who were on duty at
Thompson, colored, at Swansea, on the
charge of stealing two watches, a kit
of carpenter's tools and a pair of boots,
the latter of which he was wearing.
Thompson, who is not unknown to the
county police, was out suspended
sentence.
As an instance of the trouble and
annoyance to which Constable Simp-
son and the other county officers are
subjected, it may be stated that it was
necessary to have the man removed
to the jail, and some difficulty and
delay was experienced in getting the
necessary papers. None of the city
police stations will receive prisoners
from the country, and the conditions
are intolerable as they are.

KING AND VAUGHAN MATCH.

King and Vaughan plowmen hold
their annual plowing match on the
farm of William Ferguson and Mrs.
H. Rodgers, Lot 12, Con. 2, near Evers-
ley, on Friday, Nov. 2. The match is
open to the world, and altogether there
will be six classes, four in and two
in stubble or red land.

HYDRO WORKS LIKE CHARM IN N. TORONTO

At Three o'Clock Town Got in Liv-
ing Touch With the City—Big
Grist of County News.

NORTH TORONTO, Oct. 27.—(Spe-
cial).—Without any particular cere-
mony, and with an utter absence of
red tape and marked by the utmost
simplicity and true devotion to demo-
cratic instincts, the Hydro-electric, the
hope of this town and that of many
others was this afternoon shortly after
3 o'clock turned into the local system
over the town's own wires and poles,
and is to-night brilliantly illuminating
a small portion of this great residential
district.

To be sure, the area so lighted is not
very large, but while the average lay-
man may not be conversant with all the
intricacies of the system, experts know
that in the initial stages great care
must be exercised, and Mr. Sweeney, Mr.
Ashworth and Engineer James are
taking no chances.

The current, confined to-night to
that district south of Eglinton-ave-
nue, but soon from one end to the
other, and from the eastern to the
western limits, Niagara power and
light will hold undisputed sway.
There is not very much to say about
it. Only that the engineer's report,
representing all the several interests,
delighted many with the way things
are working, and that the inaugu-
ration of some sort of a celebration to mark
the event, and a memorable one it is,
and a credit to the councillors who
stood so loyally by the best interests
of the town.

As to what the Interurban com-
mittee, there is not a suspicion. Man-
ager Edmond is reported as saying a
new day ago that the town was in for
a siege of lawsuits and other dire
calamities. Those nearest to the man-
ager, however, do not feel such
contingencies, and while the Inter-
urban has given a good service and
can gain a fair share of the business,
Edmond has fought a hard and long
fight for the light and power com-
pany, the last of the county has been
heard of trouble along this line.

In the town hall Saturday evening,
the Ratsayers' Association was in
charge of the entertainment, and
the star speaker and transportation
company, the Ratsayers' Association,
one of the most interesting meet-
ings of the series, and a full house
will likely be the outcome of the
Interurban delegates to the East York
convention.

WEST TORONTO.

WEST TORONTO, Oct. 27.—This
morning about 7 o'clock Philip Phyriz,
a young Pole, 18 years of age, living
at 55 Brook-avenue, and employed
at the Gurney Foundry, was crushed
between two hunting cars on the C.P.
R. tracks at the head of Woodville-
avenue. The man was evidently
making a short cut across the tracks to
work and didn't notice the shunting
cars. Dr. Cheneau accompanied the
man in Speers' ambulance to the West-
ern Hospital, but Phyriz expired short-
ly after 12 o'clock. An autopsy will
be held to-morrow.

A second fatality was the sudden
death of R. J. Haggas, a young man
25 years of age, also employed at the
Gurney Foundry. Haggas, boarded at
the Subway House on Kew-street.
Soon after arising this morning, he
was seized with a sudden illness, be-
coming unconscious. He was found in
his room and a doctor summoned. He
was removed to Grace Hospital, where
he died about 11 a.m. of an unobscured
state until about 2 o'clock this afternoon,
when he passed away.

The girl's Bible class of Victoria
Presbyterian Church held their annual
banquet and social in their rooms at
the church to-night. The boys' Bible
class and Girls' Society were guests,
and a large number were present to
enjoy the program provided.
Next Sunday, Oct. 29, the annual har-
vest Thanksgiving services will be held
at St. John's Church. The special
preachers for the day will be Rev.
Canon Dixon of Trinity Church at 11
o'clock, and Rev. R. A. Sims at the
evening service.

A CASE OF MERIT.

The many friends of George J. Davi-
son, formerly of Unionville, will learn
with pleasure of the success attending
the Toronto Taxicab & Garage Co., in
which Mr. Davison is largely inter-
ested, and of which he is likewise man-
ager. The fact that he has been suc-
cessful in his business, and that he has
been able to establish a successful
building at 54 and 56 Jarvis-street, the
greatest measure of success has already
been the efforts of the company.
Luxurious cars, courteous attendants,
and strict attention to business, as in
this case, cannot fail to bring a large
measure of trade.

GORMLEY.

Big Loss, No Insurance, But Owner
Has Enterprise.
GORMLEY, Oct. 27.—(Special).—The
sawmill, chopping and elder plant
owned and operated by Joseph Gormley
has been burned to the ground, entail-
ing a loss of full \$2000, with no insur-
ance. The cause of the fire is un-
known, and Mr. Gormley, despite the
severe loss, will, it is said, rebuild at
once.

EAST YORK CONSERVATIVES.

East York Conservatives meet in the
Y. M. C. A. Hall this afternoon at 2
o'clock to nominate a candidate for
legislature. Nearly all polling sub-
divisions met last night to select dele-
gates, and the meeting was a success.
It looks like a big conven-
tion and a unanimous one. All
conservatives through the mids are in-
vited.
WESTON.
Big Year This, But Next Looks
Better.
WESTON, Oct. 27.—(Special).—This
place has had the greatest success in
its history during the present ses-
sion, and it looks as the next summer
will see a much larger crowd.
The Towns Company will, it is said,
build twenty-seven or thirty new
houses, and private and syndicate
money will erect many others if all
goes well.
The condition of Mr. and Miss Ellis,
