CONDEMN GRAPEJUICE AND ALSO CIGARETS

Wentworth and Halton W.C.T.U. Advise Shunning of All Appear-

SMOKES FOR SOLDIERS

Women Advised to Discourage Children From Saving Up Pennies for Purpose.

ings Bryan had been present at this afternoon's session of the annual convention of the Wentworth and Halton County W.C.T.U., he would certainly have got wrathy for Mrs. F. L. Thurston, president, condemned grapejuice, Serbian Minister Says Kuehlwarned her hearers how they served it and then switched off to a attack upon root beer, cigarets and patent medicine. Discussing the rumors that owing to the large sale of cigarets to women some of the members of the supposed weaker sex were indulging. Mrs. Thurston said: "That is not the

diluted, was also roughly handled, while it was pointed out that the percentage of proof spirits allowed in son, he said, the nations fighting the percentage of proof spirits allowed in beer was only 21-2 per cent, but that patent medicines now on the market contained as high as forty-five per by force.

ing we ought to shun it anyway and to France of Alsace-Lorraine, the liberty and independence of the Jugowas the advice given by one of the delegates during the discussion which delegates during the discussion which followed on the president's address.

Another stated that she had closed her doors to grape juice and root beer because the children "got into the ha-

That tobacco should be kept from the soldiers and that children should be discouraged from saving up their pennies for Tommy overseas was the substance of the "anti-narcotic" report presented by Mrs. J. Walters. Part of the report read: "Your superintendent would suggest that wherever our workers discover the discribution of circulars sent out by the tobacco trust urging the children to save their coppers for tobacco and cigarets for Tom-mies overseas, it should be discour-aged. Also all women's organizations in packing boxes for overseas should be urged not to include tobacco and

Teachers and members of school boards who are slaves to the soothing weed were also dragged over the coals and one delegate advised that action be taken in the matter as smoking a bad impression upon the pu-

Referring to the foreign immigra after the war, Mrs. T. Wilkes urged that foreigners be treated in the same manner that "we treat those of our na-tion. We must use the faculties that tion. We must use the faculties that the council has rathed the God gave us for good purposes and help these people. But as soon as they come into the country they are met with that devil 'drink,' and the result to the fact that Mayor Booker has not to the fact that Mayor Booker has not is that they become poor citizens instead of the more useful type. One
way to help them is to effectively combat liquer."

severity of her burns the hospital authorities held out little hope for her "I have just returned from a long recovery.

As far as could be ascertained, Mrs.
Foster was preparing dinner, and to encourage the fire she is thought to have poured coal oil on the embers.

Her clothing immediately caught fire when the flames leaped to the ceiling of the room. She was rushed to the hospital, where the doctors could do little but relieve the woman's suffering. She is the mother of three children, the oldest of which is five years old.

Amsterdam, June 27.—Budapest advices received here say that in the lower house of parliament Wednesday Dr. Alexander Wekerle, the Hungarian premier, drew a gloomy picture of conditions in Budapest. The premier said most of the factories had ceased work and that the non-appearance of the newspapers had resulted in a regrettable spreading of false rumors which had fanned the agitation among the working people.

which had fanned the agitation among the working people.

Dr. Wekerle strongly opposed the demand for the substitution of the military for the gendarmerie in factories, and declared that those persons having the people's interests at heart desired the military police supervision rather than the severer rules of the military in the factories.

the conference asked what right had Difference of Opinion a Washington Regarding Most Effective Means.

Washington, June 27. - Various long time did not reach the ears of plans for extending American aid to western Europe and America. In this Russia in the effort to bring her back terrible world war the interests of the into the war are still in the stage of allied nations are inextricably inter- consideration, and before being put woven, and the fate of the country into operation will require a great greater in length than the combined erican Government and the allies, front of all the other allies cannot be front of all the other allies cannot be a matter of indifference to all the try, such as seeds, agricultural implements and other means of reha-

"I have not come here to beg or complain. The Russian people has in the past gone thru trials like the present and has always emerged the present and properties and other means of rehabilitating her people, and accompanydepends for its execution, if it ever gets that far, on the approval of the many, bleeding at every pore, she still opposes the enemy. I bear witness approval of the Russian people themhere that the Russian people will never recognize the treaty of Brest-Litovsk, which is hurling Russia into the abyss

"For three years Russia's soldiers had to fight an enemy perfectly equipped and cruelly merciless under conditions which no one outside of Russia can imagine. It is not to be wondered that, having repeatedly suffered the blows of the enemy and having again hit him hard, thereby saving the western front, the Russian soldiers were the first among the belligerents to faint in the struggle.

The great revolution instilled new courage into the tired spirit, but could not immediately revive the macerated bodies of the soldiers. It is a thousand pities that the warning voices coming from Russia were not heeded by the MANY DISASTERS western allies. "The treacherous invitations to peace by Germany were not unmasked, and the mass of the Russian soldiers, incited by fanatics and Ger-

Allies Had Accepted Assistance of His Government, Says Greek Minister.

New York, June 27.-George Roumouss, minister plenipotentiary of Greece to the United States, was the year ago. Asserting that if the allies had understood the situation in the Orient in 1914 and had accepted the assistance offered by the Greek Gov-ernment before the battle of the Marre they might have averted many disasters, the speaker said that since en-tering the war Greece had sacrificed thousands of her sons "for the triumph of the common ideal" and is deter-"If this be democratic, then I ask what can be reaction. The Bolshemined "to see the struggle thru to the bitter end."

After saying that "four peoples who had formed a coalition to take from their neighbors all that the could were now taking precautions against one another while dividing their spoils, he added that when "an evil act is accomplished and unlawful gains are obtained, disunion necessarily results, for 'honor among thieves,' is after all, extremely rare."

Turning to the Russian situation, he said that if that "prostrate" nation is organized with Prussian efficiency, a nore terrible war awaits the world, and that if "victory is incomplete, the curtain will rise upon a more terrible tragedy."

Before addressing the meeting, the

nection between the interior affairs of Russia and the world war. The fate of Russia has special significance and value for the whole world. The Russian at a dinner attended by prominent repeople alone may not be able to over-come the Germans. Perhaps, aban-doned by all, Russia will perish from want of blood; but she will never of presentatives of nearly all the allies, at which toasts were drunk to President Wilson, the rulers of the allied nations, and Premier Venizelos. her own will submit to the humiliating
