## THE T. EATON CO LIMITED

## MRS. HARDING LEADS SAM LOVELL SECOND

### H. J. Barnes Runs Third, While Percy Thompson Is Fourth and R. J. Witherspoon Fifth in Sales Club Race Today.

Mrs. A. E. Harding of district five, city of Toronto, is leading in today's published standing of members of the Salesmanship Club, having 244,000 credits.  
Samuel Lovell, Jr. of Guelph, district fifteen, has 243,000 credits, and occupies second place.  
The third highest member according to today's list is H. J. Barnes of district two, with 242,500 credits.  
Percy Thompson of district four, who just entered the campaign a short time ago, has climbed to fourth place with 242,000 credits.  
The fifth district seems to be coming right to the front these days, for it has two of the five leading members in today's list. R. J. Witherspoon is holding down fifth place with 241,500 credits.  
Now is the Time.  
Double 'Em Up period of the campaign is going to be a busy time for World salesmen. It will undoubtedly show the biggest results of any period of the campaign. Every member will put forth his or her best effort between now and August 20, while credits count double on new subscriptions and while there is a chance to win one of the extra cash awards.  
The city member who earns the most credits during Double 'Em Up period will be given \$200 in cash; the second highest will be given \$100 and the third highest will be given \$50.  
Last Extra Prize Offer.  
The three out-of-the-city members who do the best at this time will also be given \$200, \$100 and \$50 for the highest, second and third highest, respectively.

This is positively the last extra cash prize offer that will be made during the campaign. It is the last time that subscriptions will count towards two awards.  
The offer of extra credits that will be in effect the last days of the campaign is of much less value than the one which is now in effect and which ends at 11 p.m. August 20. Members' every effort should be expended while it counts the most.  
End Nearly Here.  
It is but a short time now until the campaign ends. On August 29 someone will be the winner of the \$5000 home, three others will be given high-grade automobiles. After that date it will not be much consolation to talk of what might have been done. Now is the time to be realizing opportunity and right now is the time to be going after the subscriptions that will mean the winning credits on August 29.
