FROM TENNESSEE.

Coldwater, Tenn.—I would have been in my grave if it had not been for Vitae-Ore, and I will not be without it. When I began taking it I could do no work at all. Now I work all the time. I cannot say too much for Vitae-Ore.

PATRICK BRYAN.

FROM KENTUCKY.

Pierce, Ky.—I cannot say enough for Vitae-Ore. I believe it has saved my life. I do not have anything like heart failure now, and I am stout as when young. I am fifty-two years old, and owe all this to Vitae-Ore.

GERMINE HAY.

FROM ALABAMA.

Adger, Ala.—Mrs. Nat. Parsons, who had been given up to die, having been bedridden for the last three months with female trouble, has had a wonderful experience with Vitae-Ore. In four days after beginning its use she began to pick up, her appetite returned and everything that she ate agreed with her, and she is now up doing part of her housework. She is improving rapidly and blesses you and V-O, and me for saving her life.

NICHOLAS GEIS, Agent.

Abbotsford, Wis.—The people of Milwaukee could not believe it was I, to see me walk and be so well, and to be cured of my death every day. It is a miracle; everyone says so. The doctors say no man on earth can help me. Twelve years an invalid, five years could not walk and could get no help. Vitae-Ore has saved my life. It is wonderful.

STOMACH TROUBLE. Could Not Do an Hour's Work for Three Months.

For over two years I suffered untold misery with my stomach. I was unable to eat anything without distressing me. In fact, I could get scarcely any nourishment to keep me alive. I did not do an hour's work for over three months. I tried two or three different doctors, but got no relief from either, and was then urged to try Vitae-Ore and sent for a trial treatment. Before I had taken half of the package I could eat anything and was able to go to work before the trial package was entirely exhausted. After taking three packages, I could eat my food and feel complete. I gained in weight from 126 to 162 pounds in that time. We have never since been without Vitae-Ore in the house, and find it invaluable, not only for Stomach Trouble but for Sore Throat, Colds, Catarrh, Rheumatism and Neuralgia; as a blood maker and purifier, it has no equal.

It has also performed a like wonder in the case of my sister-in-law, who lives with us. She was all run down, had no color in her face, could not eat or sleep, and was so weak that she could hardly get about the house. She had catarrh and rheumatism, and what little blood she had seemed nothing much but water. She would not take Vitae-Ore at first, saying it would not do her any good, but decided to try it in the end, after taking doctor's medicine for three months. She began to improve at once, and after using three packages, found her weight had increased 15 pounds. She never in her life looked or felt better than she does now. She is working again regularly, sleeps well and eats anything put on the table. My wife and I are sure that Vitae-Ore saved her life, as it made mine worth living.

What better proof can be furnished that Vitae-Ore does everything it is advertised to do, that it cures every disease we recommend it to cure, that it satisfies all users, and that they, being satisfied, pay for it? All Vitae-Ore advertisements must be paid for with Vitae-Ore money, and all Vitae-Ore money comes from Vitae-Ore patients, patients who are satisfied, who are benefited who are cured? We could not continue advertising year after year could not spend thousands month after month, could not send out thousands of trial packages, postage prepaid, day after day, if Vitae-Ore did not cure, if trial patients did not pay.

Free From All Aches and Pains

For some years I suffered from a lame back, which some mornings was so bad I could hardly dress myself. I used a

number of different medicines without benefit, and at last became discouraged, as I seemed to get worse. I noticed the Vitae-Ore advertisement in The Montreal Weekly Star, and sent for a \$1.00 package. To-day I feel more like a man of 24 than 48, as it has done wonders for me. I have gained in flesh, and am now free from all aches and pains. Vitae-Ore cured me of my trouble, and I will always praise it in the highest terms. It is certainly a great boon to suffering humanity.

SUFFERED FROM RHEUMATISM, KIDNEYS, INDIGESTION AND NERVOUSNESS

NOW COMPLETELY CURED.

I was a great sufferer from Rheumatism, Kidney Trouble, Indigestion and Nervousness. I doctored with three different doctors, but could get no relief, and one of them told me that medicine was of no use, and stated that my mind was affected from my different ailments. I was advised by a neighbor, who had answered the Vitae-Ore advertisement and was using Vitae-Ore, to give this medicine a trial. I sent for a package and used it and then sent for another, and before I had finished the second package I was completely cured, and can eat and sleep as good as I did 10 years ago. I was for what V-O has done for me, and believe it will prove a blessing to every ailing person who gives it a trial.

THIS IS THE OFFER WHICH HAS MADE V.-O. FAMOUS.

To Every Reader of The Toronto World

WE WILL Readers of this paper a full-sized \$1.00 package of SEND TO ALL Vitae-Ore, by mail, postpaid, sufficient for one month's treatment, to be paid for within thirty days' time after receipt, if the receiver can truthfully say that its use has done him or her more good than all the drugs and doses of quacks or good doctors or patent medicines he or she has ever used. Read this offer again carefully; and understand that we ask our pay only when it has done you good, and not before. If not, no money is wanted! We take all the risk, you have nothing to lose. If it does not benefit you, you pay us nothing. We ask no references, we want no security; just your promise to use it and pay if it helps you. Just say that you need it, that you want it and it will be sent to you, as it has been sent to hundreds of other readers of this paper. We give you thirty days' time to try the medicine, thirty days to see the results before you pay us one cent and you do not pay the one cent unless you do see the results. You are to be the judge. We know Vitae-Ore and are willing to take the risk. We have done so in thousands of cases and are not sorry. Your case, no matter how hard or obstinate it may be, will be no exception.

Vitae-Ore is a natural, hard, adamantine, rock-like substance—mineral—ORE—mined from the ground like gold and silver, in the neighborhood of a once powerful, but now extinct, mineral spring. It requires twenty years for oxidation by exposure to the air, when it slacks down like lime and is then of medicinal value. It contains free sulphur and free magnesium, three properties which are most essential for the retention of health in the human system, and one package (one ounce) of the Ore, when mixed with a quart of water, will equal in medicinal strength and curative value 800 gallons of the most powerful mineral water found on the globe, drunk fresh at the springs. The mineral properties which give to the water of the world's noted healing and mineral springs their curative virtue come from the rock, or mineral ore, through which the water is filtered on its way to its outlet, only a very small proportion of the medicinal power in the springs. YOU ARE TO BE THE JUDGE

Vitae-Ore will do the same for you as it has done for hundreds of readers of this paper if you will give it a trial. Send for a \$1.00 package at our risk. You have nothing to lose but the stamp to answer this announcement. We want no one's money when Vitae-Ore does not benefit you. You are to be the judge! Can anything be more fair? What sensible person, no matter how prejudiced he or she may be, who desires a cure and is willing to pay for it, would hesitate to try Vitae-Ore on this liberal offer? One package is usually sufficient to cure ordinary cases. Two or three for chronic, obstinate cases. We mean just what we say in this announcement, and will do just as we agree. Write today for a package at our risk and expense giving your age and your ailment, and mention this paper. Do not write on a postal.

TO CHRONIC INVALIDS

What a tale of life is unfolded in the words "Chronic Invalid," with years of misery, suffering, pain, distress, care and anxiety, hope deferred, ambitions unfulfilled. The man or woman who would hold out a promise of restoration and recovery, under that promise was founded on some solid foundation of fact, who would raise a hope of health and strength in the invalid's feebly fluttering heart, knowing that the means offered were insufficient to accomplish the ends promised, would indeed, be deserving of eternal torment, of a place in the annals of infamy, and to be reviled by all men. As the wind is tempered to the storm, so should the pathway of the invalid, shorn of the strength and vigor in which robust humankind glories, be tempered from the mind's restlessness from activity, bereft of that which is of all things most essential to happiness, be tempered from every ill wind, be shielded from any new distress and be spared from any fresh disappointment.

The proprietors of Vitae-Ore offer this medicine to invalids of all degrees, suffering from any of the numerous forms of the diseases and disorders herein named, and can assure them, with a conscientious assurance born of many years' familiarity the remarkable cures accomplished by this medicine, that it will not disappoint them, will not raise hopes to be unfulfilled, to be dashed to the ground. Particularly to women, made chronic invalids by the many troubles peculiar to the sex, does it offer a complete and radical cure, a permanent restoration to health and virile life. The book, "For Women Only," which we send free on request to any woman in any part of the world, contains letters from women in every section of the country, who have been chronic invalids for years, a burden to themselves and families, but who are now happily cured by this truly remarkable medicine. We ask only investigation and a trial according to our offer, with every confidence that such a test will be convincing of the utter and absolute truth of our published statements.

Let us reason together! What greater argument can we offer, what more can you wish, what additional proof need we show? Our very existence, the stability and growth of our enterprise (and it has grown like a green-bay tree), depend upon each treatment satisfying each patient paying for it. Think it over! Reason it out for yourself! Doesn't it show that you must, in justice to yourself, your family, and these about you, in justice to our claims and our remedy, send for a package of Vitae-Ore on trial as we offer to you, as thousands of readers of this paper, including many of your neighbors, have sent for it? Doesn't it show that we know it will cure?

STRONGER NOW THAN FOR THIRTY YEARS.

Cured Weak Back and Catarrh—All Should Use It.

I have been taking Vitae-Ore for a number of months, and can truthfully say that it has done me more good than all the other medicines as well as the doctors who treated me ever were able to accomplish. I am now as strong in my back as I was when a girl, although previously I had been taking the Vitae-Ore treatment for a long time. I suffered continuously from weakness and distress in this region. I have made a great deal of a muscle, and I am stronger now than I have been for 30 years. Before taking Vitae-Ore I was troubled dreadfully with catarrh, which has also been entirely removed, as I do not now experience any trace of it. I advise every one that has any kind of disease to use Vitae-Ore, believing it to be the best general all-round medicine that has ever been discovered. We have proven it to be such in our family.

DOCTORS SAID:

YOU CANNOT BE CURED!

One Package of Vitae-Ore Put Him on His Feet Again and Back to Work.

Vitae-Ore saved my life, in curing me of Bright's Disease, which had baffled the doctors' skill. One doctor said: "You have Bright's Disease bad, and VITAE-ORE is the only thing that can cure it." Another said: "It might give you medicine until you died, and yet I could not cure you."

I concluded at this time that as long as their medicine could not cure me I

Operations Often Needless

The modern tendency of physicians and surgeons is to rush patients off to the operating table as soon as it is suspected that the medical treatment being followed will not be productive of the results and ends desired. Frequent unnecessary operations are performed, and the patient is subjected to a corresponding mistake in the manner and form of treatment.

It is, nevertheless, equally indisputable that much trouble and suffering and frequent deaths have ensued from the too easy and quick recourse to the surgeon's knife.

An operation, especially one of a dangerous nature, should only be resorted to when and after all other known means and measures to effect a cure have failed to bring about the desired results, and the operation is imperative to prevent further complications. This injunction is especially applicable to the various forms of female disorders, particularly womb and ovarian irregularities, in which cases this practice of undue haste is, perhaps, the most pronounced.

Hundreds of women have written to the Theo. Noel Company that the doctors had advised operations, but the timely use of Vitae-Ore saved them from such. With their letters before us, we say to all that no woman should undergo an operation until Vitae-Ore has been given a fair trial.

The following letter from Mrs. Clara Wilson of Muskegon, Mich., one of the many saved from the knife, tells its own story:

"After sending for Vitae-Ore I continued to grow worse until I was in such pain and my joints were so swollen I was perfectly helpless. I could not move hand or foot. The doctors said they could do nothing for me, and I must have an operation for female troubles before I could get well. I was so bad that I had decided to have it done when the Vitae-Ore came, and I began its use. Now I am on my feet, can sit up all day without pain, can walk about use. Now I am on my feet, can sit up all day without pain, can walk about use. Now I am on my feet, can sit up all day without pain, can walk about use.

Natural means of relief are always to be preferred to the unnatural, and the knife is unnatural. V. O. is nature's own remedy, and is victorious in the most complicated cases of disease where other treatments have encountered defeat, as has been proven times without number. Send for a package on trial.
