

## THE TORONTO WORLD

More than any other day, we make Friday an opportunity to clear departments of lines that have become limited in quantity and that are of particular season's goods. This is especially the case this week. Spring importations.

The gay city is at its gayest; Congress is in session; the Ministers and attaches of all foreign legations are in town, and Washing-ton, in itself a beautiful city, is made kaleidoscopically picturesque by the multitudes which throng the streets. Particularly is this so during inaugur-ation week. Washington is the Mecca for thousands of pilgrims from all over the country. The glittering pagean-try and pomp of the inaugural parade and ceremony are a feast to the eyes of the American people, always lovers of display and magnificence. One of the grandest features or the ceremoniles is the inaugural ball, which is unre-stricted as to attendance. To enable all to participate in the pleasures of the Capitol during the in-auguration week, greatly reduced rates will be made by the Lehigh Valley Railroad system from all points along its lines. Tickets will be good going on March 1st, 2nd and 3rd, and good for return March 4th to 8th. The route traversed by this line is too well known and popular to require particular description. The beauties of scenery are many ; the service and equipment of its trains are the best. Direct connections and through service from all points to 2nd from Washing-ton. Call upon or address the near-est Lehigh Valley agent for reduced rates and all other information de-sired. 246 Vice-presidents from Provinces-Robert Miller, Brougham, Ont.: J H Ladner, Lad-ner's Landing, B.C.: James Cochrane, Hill-hurst, Que.; Josiah Wood, M.P., Sackville, appreciated.
